 Organisation

From—Lieut.-Col. E. DEBRATH, Dpy. Secy. to the Govt. of India, Mil. Dept.
 To—The Adjutant-General in India.

I am directed to acknowledge the receipt of your letters noted on the margin, regarding the grant of an increased capitation allowance of Rs. 10 to the Calcutta Light Horse for each "efficient" or "extra efficient" volunteer.

His Excellency the Commander-in-Chief recommends that the concession, if made, should apply to all mounted units of the volunteer force in India, and that it should be granted subject to the proviso that every man for whom the increased allowance is drawn maintains a horse or pony, which has been regularly ridden in the ranks.

2. In reply I am directed to say that, as service in a mounted volunteer corps in India involves a greater personal outlay than that which other classes of volunteers are subjected to, the Government of India are pleased to approve the increase to the capitation grant of mounted volunteer corps proposed by His Excellency the Commander-in-Chief, and if the financial situation will admit of it, the necessary provision will be made in the estimates of 1898-99. A further communication on this point will be made hereafter.
