Sir,

In reply to your letter of the 23rd February I am directed to inform you that it is not the practice of the Secretary of State for India to permit the allotment of any portion of the pay of an officer appointed to duty in India through this Office. His Lordship however is pleased to treat your application as an exceptional one, and has instructed the Accountant General to pay the representative you may appoint £10 a month from your salary while you are engaged on temporary duty in India.
