Requesting that permission may be granted them to send a gold medal or watch to the Surgeon-General instead of money to be presented to First Class Hospital Assistant, M. R. Ry. N. Ramaswami Nayudu.

ENCLOSURE No. 1.

FROM

THE TOWNSMEN OF NELLORE,

To

THE SURGEON-GENERAL WITH THE GOVERNMENT OF MADRAS,

THROUGH

THE DISTRICT MEDICAL AND SANITARY OFFICER, NELLORE.

SIR,

We, the Townsmen of Nellore, beg to bring the following to your favourable notice and early orders.

2. We regret to lose the very valuable services of First Class Hospital Assistant, Mr. N. P. Ramasawmy Naidu. If it were not for the very merited and deserving promotion to him, we should certainly have very earnestly entreated you to keep him here.

3. We are not able to express in adequate terms the really honest and conscientious work, he has been doing amidst us here for the last 14 years. The eminent success of the Medicinal School, the enormous attendance of patients in the Branch Hospital presided over by him almost vying in numbers with those of the Civil Dispensary, and the clean bill of health shewn by the District Jail during his tenure of office, shew the unremitting zeal and earnestness with which he has been discharging his duties, not to speak of the excellent reports of the Surgeons-General and the District Surgeons regarding his work year after year. Besides his regular routine work, he did extra work, and neither spared pains nor time, and was ever ready and willing in rendering medical aid to the poor as well as the rich. He did yeoman's service during the Famine and during the several visitations of Cholera, which were rather frequent and at times of great severity and virulence. His skill as a surgeon, physician, and accoucheur, is of a very high order, and we regret very much that by his becoming a professor in the college, there will be no free scope for its exercise. As his very valuable services to us for the most part were gratuitous, we have raised a small subscription among ourselves to present him with a Gold Medal, or watch and chain, or both, as a token of the high esteem in which we hold him. We humbly request you will be pleased to grant us the permission to do so.

We beg to remain,

Sir,

Your most obedient Servants,

SIR,

I have the honor to inform you that six of the signatories to the accompanying petition came to me this morning, as a deputation, to request that I would forward their petition to the Surgeon-General.

I have much pleasure in doing so and trust he will be pleased to recommend Government to accede to their request.

As the valuable services of 1st Class Hospital Assistant, N. Ramaswami Nayudu in connection with the Nellore Medical School, and Branch Dispensary, Nellore, have been brought to your notice on several occasions, it is needless for me to add anything more.

I have &c.,

Please inform the petitioners that the Surgeon-General has perused with much pleasure the testimony borne by them to the good services rendered by Hospital Assistant, Ramaswami Nayudu, and while appreciating their desire to present the Hospital Assistant with a gold medal, or watch and chain in recognition of his services, the Surgeon-General regrets that the orders of Government on the subject preclude him from giving his consent to such presentation.

HIS EXCELLENCY THE GOVERNOR IN COUNCIL,

*The humble memorial of the TOWNSMEN
OF NELLORE.*

RESPECTFULLY SHEWETH,

That Mr. N. P. Ramaswamy Nayudu, First Class Hospital Assistant was in the town of Nellore for the last 14 years; and as he was rendering his professional services to the Townsmen in every emergency, Your Excellency's memorialists desired to manifest their sentiments of gratitude on the eve of his departure from Nellore to take up his new appointment in the Madras Medical College as a Lecturer: and with that view, they, in conformity with Article 52 of the Public Servants' Manual, requested the Surgeon-General to obtain the previous sanction of the Government; that memorialists regret that the Surgeon-General has declined to forward their petition to the Government for favorable orders; and that the correspondence connected therewith is herewith submitted for Your Excellency's kind perusal.

2. That memorialists submit with loyal deference and submission that the said Article 52 of the Public Servants' Manual practically defeats its own object if it is not applied in cases where the meritorious services of a medical man claim substantial recognition of a grateful public; they further beg to state that they do not intend having any public demonstration touching Mr. N. P. Ramaswamy Nayudu's services as a public servant, but they desire simply to express in a fitting manner their grateful feelings to him for the long gratuitous and willing services to numerous poor and helpless sufferers; and that it may act as an incentive to other medical men to similar praiseworthy conduct towards the poor who cannot adequately recompense the services of medical officers.

3. That memorialists earnestly pray that Your Excellency may be pleased to permit them, under Article 52 of the Public Servants' Manual, to present Mr. N. P. Ramaswamy Nayudu with a Gold Medal, or watch and chain, or both, through the Surgeon-General, as a small token of their gratitude and high esteem to him.

For which act of kindness, Your Excellency's memorialists, as in duty bound, shall ever pray,

*The humble Memorial of the TOWNSMEN
OF NELLORE.*

RESPECTFULLY SHEWETH,

That they raised a subscription of Rs. 200 in 1895, when the First Class Hospital Assistant, M. R. Ry. N. P. 5. And that they humbly pray that Your Excellency will be pleased to reconsider the order and permit them to send a medal or watch to the Surgeon-General instead of money to be presented to Hospital Assistant, Ramaswami Nayudu.

For which act of kindness, Your Excellency's memorialists, as in duty bound, shall ever pray.

Proposed presentation of a medal or

Iyengar by the Bellare Townsmen.

FOR ORDERS.

It seems rather absurd that,
while people may give a medical
officer Rs 1000, or any other
sum they please, in fact, they
may give him a watch worth
Rs 200. I had ask India
if there was any objection -
I had when the new passed

The Private Secretary writes
that H. M. wishes to see the order pro-
posed to be passed on the petition en-
closed in the present current.

2. The previous proposal in 1890
was negatived in G. O. No. 218, dated 29th
November 1890, flagged B, permission only
for receiving the money subscribed for
the purpose being granted.

3. The acceptance of a gold watch
and chain by assistant apothecary J.
Moore "as honoraria in lieu of fees"
was sanctioned in G. O. No. 1316, dated
26 March 1891, Military Dept. flagged D.

4. Rule 1 of India's G. O. embodied
in G. O. No. 1107, Public, dated 6th Aug.
1887, flagged B, and in rule 32 Part V
of rules regulating the Personal con-
duct of Govt. servants, refers to the
receipt of "pecuniary recognition of
their services" by medical officers.

It is submitted that if a departure from the
strict interpretation of the permis-
sion is desired, it should be sanctioned

Presentation of a medal to Hospital
Asst. Ramaswami Nayudu.

ORDER No. 642. D. 11th May 1898.

The Govt. of India will be at-
tended.

LETTER No. 1140.

The Secretary to the Govt. of India,
Home Dept. (Public)

SIR,

I am directed to solicit the
orders of the Govt. of India on the fol-
lowing matter.

2. In 1896 the Townshend of Bellare
addressed this Govt. requesting permis-
sion to present a medal or a watch and
chain to Hospital Assistant Ramaswami
Nayudu, as a token of their appreciation
of his services. The memorialists were
informed in G.O. No. 918, Pub., dated
7th November 1896 that the proposed pre-
sentation could not be sanctioned, but
that the Hospital Assistant might re-
ceive a gratuity for the purpose.

This

Submitted that his
previous decision
should be adhered to.
It is very easy for the
memorialists to give
the Stop Answer. Of course, but the
Govt. respects a wish memorialists want to
that he should stand behind the rule,
it is a bad rule. In the object to,

vide para 2 of their
former memorial p. 3.
MT.

The Govt. of India, ^{sanctions} pecuniary
recognition only of a
medical officers services,
& this may come from
"a community or body
of persons wh. may desire
to acknowledge this".
A gold medal or watch
& chain are not a pecuniary
recognition, & cannot
therefore be presented under
the rules. The memorialists may
be told that Govt. is not prepared
to modify the order already passed.
MT 23.4.98.

This is a copy of the rules printed in the London Gazette, No. 10-13-9-18, 1887.

A further memorial on the subject has now been received from the subscribers, in which they urge that as it is not intended to present the hospital as instant with any complimentary address his acceptance of the proposed presentation would not constitute an impropriety or the rule in question.

I am directed to enquire whether there is any objection to the proposed presentation. I. I. the Govt. in Council observed that the relaxation of the rules for the conduct of Public Services which for its national or local to receive pecuniary recognition of their services from a committee, must not

be extended to cover the case in which either the persons or the presentation, or the action of local bodies, should not be the recognition of the official service. In this case the other part of the rule of law.
