Submitted for order. It seems necessary to grant leave on medical grounds. If he likes to apply for leave on med. cert. no doubt he will get it. But I don't think his leave can begin just now. 9/5/98

SIR,

- I have the honor to forward my application for three months' privilege leave (for which I am eligible) from 1st May or date of availing thereof.
2. My application for privilege leave when Secretary to the Surgeon General in 1896 was refused by Government on account of the absence of the Surgeon General in England. In 1897 leave was impossible and I consequently did not apply though I felt I required it. I therefore forward my present application with the accompanying medical certificate from Surgeon Lieut. Colonel J. Maitland. I have only once in my service before been granted privilege leave, which on that occasion had to be commuted to furlough on medical certificate while in England.
3. The declaration required under Article 891 of the Civil Service Regulations is enclosed.

I have the honor to be,

Sir,

Your most obedient servant
Simpson
