GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

Extract from the Proceedings of the Government of India, in the Home Department (Public), under date Calcutta, the 4th May 1898, No. 707—23.

Resolution.—There have been recently not a few cases in which members of the Indian Civil Service and officers who have held appointments usually reserved for Indian Civil Servants, have, after retirement from the service of Government, been appointed to service under a municipal committee or employed in the management of private estates in British India. The Governor-General in Council considers that there are usually serious objections to the taking of such employment by retired officers, and His Excellency in Council is accordingly pleased to direct that in future no retired member of the Indian Civil Service, or Military officer who has been in Civil employ, or other officer who has held an appointment which is ordinarily reserved for members of the Indian Civil Service, shall be employed in any appointment to which the approval of a Local Government or Administration has to be given without the previous sanction of the Government of India.

Order.—Ordered that a copy of this resolution be forwarded to the Local Governments and Administrations for information; also that a copy be forwarded to the departments of the Government of India for information.
