OFFICE OF SURGEON-GENERAL

No. Item 2
5

WITH THE GOVERNMENT OF MADRAS,

Camp Rajahmundry 12 Aug. 1898

From

SURGEON-MAJOR-GENERAL C. SIBTHORPE, C.B., F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

I have the honor to acknowledge the receipt of
 G.O. No. 877 Public dated the 9th July 1898 restricting
 the period which the Surgeon-General should be
 permitted to spend with Government at Otacamund
 to two months in each year.

2. In the Resolution of the Government of India
 dated the 31st October 1881 No. 3939 the Surgeon-
 General with the Government of India was allowed
 to accompany the Head Quarters of the Government
 of India to and from Simla and the rules in
 the Simla allowance Code were extended to
 him and his Establishment.

3. On the strength of this Resolution Surgeon-
 General Cornish obtained the sanction of the
 Madras Government to the Establishment
 following him to Otacamund being admitted
 to the benefits of the rules in the Otacamund
 allowance Code. vide G.O. No. 574 R. Public
 dated 25th May 1882.

J

4. This arrangement continued till 1886 when the Finance Committee suggested that it was not necessary for the Surgeon-General to accompany the Government to Ootacamund. The Government first fell in with this view but immediately again changed its mind and in its letter dated 18th December 1886 to the Secretary to the Finance Committee decided on further consideration that the Surgeon-General should accompany it to the Hills and that he should spend at the Head Quarters of the Government as much time as he could spare from touring.

5. This arrangement remained in force until 1890 when a D.O. was received from the Chief Secretary saying that it was decided by Government that the Surgeon-General should not accompany it to the Hills in future.

6. On the representation of Surgeon-Major-General deFabeck this prohibition was withdrawn and the Surgeon-General was again allowed to go to the Hills during the six months the Government there provided that it did not interfere

with the due execution of his duties and caused no expense to Government vide G.O. No. 166 Public dated 2nd March 1891.

7. In G.O. No. 151 Public dated 24th February 1893 the Surgeon-General was permitted to remain on the Nilgiri Hills for three months.

8. The G.O. now under report reduces the period to two months.

9. The practice in the other Presidencies and Provinces is as follows:—

(1) Director-General Indian Medical Service accompanies the Government of India to Simla.

(2) Surgeon-General with the Government of Bombay is allowed to go to Mahabaleshwar in the hot season if no additional charge is thereby caused to the State.

(3) Inspector-General of Civil Hospitals in North Western Provinces and Oudh remains on the Hills (Naini Tal) May 1st till October 20th (excepting 1½ months which he should spend on tour).

(4) Inspector-General Civil Hospitals Bengal accompanies Government to the Hills at his own expense, but the expense of the clerks &c. are paid by Government.

(5) Inspector-General of Civil Hospitals Punjab accompanies Government to the Hills and remains there the whole time, i.e. from about 12th May to 20th of October.

10. It will be seen from the above that the Heads of the Civil Medical Depart-

other Provinces of India are allowed to accompany Government to the Hills and to remain there for the sufficiently long periods even if not for the whole time in some cases.

11. Under the above circumstances I request that Government will be pleased to reconsider the new order restricting the stay of the Surgeon General with the Government of Madras at Botacommund to two months.

12. Government is aware that the new order does not affect me personally as the two months will suit me very well next year as I vacate in May; but I protest on principle and consider that both in the interests of Government and of the Officer concerned the restriction should be withdrawn and the Surgeon General allowed to remain at Botacommund as long as he can do so without any detriment to his duties.

13. It must be borne in mind that like my predecessors my successors are not likely to be young men. Dr. Cornish and Furnell retired when they were about 60 years of age and Dr. Bidie and de Sabeck when they were 60. In my own case although comparatively young I would not have been able to stand the hot weather on the plains and certainly would not have been as fit to do touring in the cold weather. Much less can this be expected of an Officer who is verging on 60.

14. As Government is aware the Surgeon General is only eligible for 8 months leave

on private affairs or Medical certificate and unless he is allowed to escape the hot weather or at least to pass a greater part of it each year on the hills he is likely to break down in health, a contingency which in the interests of Government and of the Department should be guarded against as much as possible.

15. Beyond the delay in sending up and returning the papers the Office work does not suffer in any way by the Surgeon General being on the Hills, especially as Emergent matters are disposed of by wire.

16. Considering the above circumstances and the fact that no additional expenditure is caused to Government I trust that Government will see its way to reconsider its new order which is likely to produce undesirable results.

I have the honor to be

Sir,

Your Most Obedt. Servant

C. S. M. P.

FURTHER PAPERS.

G.O.	No.	Department.	Date.

No. F

OFFICE M.

FINANCIAL DEPARTMENT.

Dated Calcutta, the 16th January 1890.

The following extract from a letter from the Government of India, No. 16, dated 6th January 1890, is circulated to the undermentioned heads of departments for information :—

"In reply, I am to say that after a careful consideration of the opinion expressed by the Lieutenant-Governor, the Governor-General in Council has come to the decision that the discretion of His Honour as to the heads of departments who should accompany him to the hills should not be further interfered with, provided that the rule enforced in the North-Western Provinces and Oudh, that the officers concerned should visit the hills at their own expense, is also adopted in the Lower Provinces of Bengal. The expenses of the clerks who accompany the heads of departments to the hills will be paid by Government."

2. With reference to these orders, the Lieutenant-Governor is pleased to authorise the Director of Public Instruction, the Inspector-General of Police, the Inspector-General of Jails, the Inspector-General of Registration, the Inspector-General of Civil Hospitals, the Sanitary Commissioner for Bengal, and the Director of Land Records and Agriculture, to accompany the Government to Darjeeling.

3. The rule enforced in the North-Western Provinces and Oudh is laid down in an Office Memorandum of the Government of the North-Western Provinces, dated 1st October 1886, as follows :—

"In the course of discussion with the Finance Committee on the general subject of coming to the hills, the question was raised whether any of the heads of departments, who are required or permitted to come to Naini Tal, draw travelling allowance of any kind, either on first coming up and finally going down, or intermediately. Heads of departments were accordingly addressed on the subject, and the replies received show that while the practice varies considerably, such allowances are occasionally drawn on both the occasions referred to. It has now been definitely arranged that the Government shall not be put to any expense whatever for journeys to and from Naini Tal and the point (ordinarily the head-quarters station in the plains) at which the necessary inspection ceases or commences. This arrangement has been settled upon an understanding with the officers concerned, who undertake that no travelling allowance whatever shall be drawn on halting at places on the line of railway between the head-quarters and the hills (except for *bona fide* necessary inspection) or for journeys between Bareilly and Naini Tal. All tours of inspection made within the hills will be treated as beginning at Naini Tal."

4. The effect of this rule is that heads of departments get no travelling allowance on going to Naini Tal, except so far as they may make a tour of inspection on their way to the hills, and in no case beyond Bareilly on the way up or before Bareilly on the way down. In accordance with the orders of the Government of India, the Lieutenant-Governor now directs that a similar rule shall be enforced in Bengal, and it must be understood that a head of a department going up straight from Calcutta to Darjeeling, or *vice versa*, will in future draw no travelling allowance. He will only be entitled to draw travelling allowance while on a tour of inspection up to the last head-quarters of a district inspected, and in no case will he be entitled to draw any travelling allowance beyond Jalpaiguri. Similarly, the first head-quarters station inspected of a district outside the Darjeeling district will be the point from which travelling allowance may be drawn on the return journey. All tours of inspection made within the hills will be treated as beginning at Darjeeling.

This rule will of course not apply to present incumbents of appointments who draw a fixed travelling allowance.

(2)

5. The expenses of clerks who accompany heads of departments to the hills will be paid by Government as heretofore. The smallest possible establishment should be taken on these occasions. No increase over the establishment taken up last year can be allowed without the sanction of Government.

By order of the Lieutenant-Governor of Bengal,

H. J. S. COTTON,

Offg. Secretary to the Government of Bengal.

No. F $\frac{1-H}{1}$ 11-18.

Copy forwarded to the Director of Public Instruction; the Inspector-General of Police; the Inspector-General of Jails; the Inspector-General of Registration; the Inspector-General of Civil Hospitals; the Sanitary Commissioner; the Director of Land Records and Agriculture; and the Accountant-General.

By order of the Lieutenant-Governor of Bengal,

H. J. S. COTTON,

Offg. Secretary to the Government of Bengal.

Bengal Secretariat,

Darjeeling, the 13th September 1898.

RECEIVED
20 SEP 1898
SECRETARY
TO THE GOVERNMENT
OF BENGAL

Dear Sir,

With reference to your demer-official letter of the 31st ultimo, I have to say that the following Heads of Departments under this Government are authorized to accompany the Lieutenant-Governor to Darjeeling and remain while the headquarters of the Government are here. They, however, occasionally leave Darjeeling for inspections or other urgent duty requiring their presence in the plains.

The Director of Public Instruction.
The Inspector-General of Police.
The Inspector-General of Jails.
The Inspector-General of Registration.
The Inspector-General of Civil Hospitals.
The Sanitary Commissioner, and
The Director of Land Records and Agriculture.

I enclose a copy of an Office Memorandum of this Secretariat which explains the conditions under which these officers are allowed to spend part of the year in Darjeeling.
The Lieutenant-Governor ordinarily stays in the

the hills $2\frac{1}{2}$ months before July and $2\frac{1}{2}$ after August.

Yours truly,

C. R. Noy

RESOLUTION.

APPOINTMENT DEPARTMENT.

Dated Naini Tal, the 9th July 1897.

READ—

Correspondence regarding the tours of officers in the plains during the rainy season.

It is a fundamental principle that no officer referred to in this Resolution shall move to or remain in the hills if there be a special reason requiring him to remain in or return to the plains. Ordinarily, however, the officers specified below may, with advantage to the public service, spend part of the year with the Government at Naini Tal; and accordingly the following orders are issued with the object of defining the time when the move to the hills should ordinarily take place, and of regulating the duration of the tours in the plains, during the rainy season, of officers who are allowed to spend part of the year in the hills.

2. For the purpose of these orders the rainy season is considered to extend from July 1st to September 15th.

3. The officers controlling Departments to whom these orders apply are the following :—

- (1) Members of the Board of Revenue.
- (2) The Settlement Commissioner for Oudh.
- (3) The Inspector-General of Civil Hospitals.
- (4) The Sanitary Commissioner.
- (5) The Inspector-General of Police.
- (6) The Inspector-General of Prisons.
- (7) The Commissioner of Excise and Inspector-General of Registration.
- (8) The Director of Public Instruction.
- (9) The Director of Land Records and Agriculture.

4. None of the officers enumerated in the preceding paragraph will ordinarily move to the hills before the 1st May, nor remain in the hills after the 20th October.

5. The Members of the Board of Revenue will ordinarily spend not less than one month continuously on tour or at their headquarters in the plains during the rainy season. The Members will decide whether the Secretary or Joint Secretary or both should accompany them on tour or remain at headquarters or at Naini Tal.

6. All the other officers' enumerated in paragraph 3 above will ordinarily spend not less than one month and a half continuously on tour and in the plains during the rainy season.

(2)

7. The Legal Remembrancer to Government, the Deputy Inspector-Generals of Police, and the Conservator of the Oudh Forest Circle may ordinarily spend two and a half months at Naini Tal between the 15th May and the 20th October, provided that their absence from their headquarters or circles does not interfere with the due discharge of official business. Between the same dates and subject to the same condition, the other gazetted officers of the Oudh Forest Circle may spend two months at Naini Tal.

8. The Commissioner of the Meerut Division will not ordinarily move to Mussoorie before the 1st May, nor is it permissible for him to remain there after the 15th October. In the interval he will ordinarily spend two months on tour and at his headquarters in the plains, and will proceed at once to the plains should his presence there be at any time necessary.

9. Each of the officers referred to in paragraph 3 of this Resolution should, ten days before proceeding on tour, forward to the Chief Secretary to Government a programme of his tour so far as he can forecast it.

ORDER.—Ordered that a copy of this Resolution be forwarded to the officers concerned for information and guidance.

By order, &c.,

H. F. EVANS,

Chief Secy. to Govt., N.-W. P. and Oudh.

CHIEF SECRETARY
20 OCT. 1898
GOVERNMENT OF MADRAS

15 October 1898.

Dear Sir,

In reply to your Road-official letter of the 21st August last I beg to inform you that the officers other than Secretaries and Under Secretaries who accompany Government to the Hill are

(1) by order -

the Revenue and of Legal --

Attorney

The Principal Secretaries

22/

concession.

(2) by permission -

the Surgeon-General,
the Commissioner of Customs,
Salt, Opium & Akhari (to
Poona only, during the
monsoon months),
the Survey Commissioner and
Director of Land Revenue
and Agriculture (to any
hill station for 6 weeks
during the hot weather.)

In these three latter cases the
proviso is enforced that no extra ex-
pense be caused to Government by the --

Yours truly,

James Macdonald

To

The Honourable Mr. G. Stokes, I.C.S.,
Chief Secretary to the ---
Government of India.

[illegible]

214

The Head of the Civil
 Medical Dept. under other
 Govts., is permitted to stay
 on the hills while the Govt.
 is there, and except for
 certain periods to be spent
 on tour. The general rule
 regarding travelling expenses
 is that the Departmental Head
 himself does not receive the
 cost of the journey to the hills,
 but the time spent on the
 tour is granted to him.
 The cost of the journey
 to the hills is ~~not~~
 largely granted to heads
 of Dep'ts. in other Provinces
 than in Madras, but
 nearly all officers are
 permitted to take their
 families on tour of inspection
 and visit. See the ~~order~~ (No. 11)
 regarding the subject of the
 Sanitary Department's
 if there is any special
 reason why the other
 Sanitary Comms. are shut
 out of the privilege of
 accompanying Govt. to the

214

Hills, and he adds that
 he may be included in
 the concession.

Cu
25.10.21

The S.G.'s arguments are
 two - (1), that the S.G. in
 this province is allowed to
 remain on the hills for a
 longer period than is permitted
 here, - (2), that the S.G.
 being usually a man of
 long service requires the
 change to the hills for his
 health's sake.

In regard to (1), the
 statement appended shows
 that there are many officers
 permitted to go to the
 hills in the province who
 are not allowed to do so
 in Madras. The argument
 for a comparison with
 the province cannot therefore
 go far to support the
 S.G.'s case unless Govt. is
 prepared to extend the
 concession to all officers. (P. 20)

Who enjoy it elsewhere:
 (ii) The other argument is
 perhaps a stronger one. The
 S.B. will usually be one
 of the oldest men in the
 service of Govt. It is true
 that members of the D.
 of Revenue do not go to the
 hills, but they are not
 subject to the kind of leave
 (I mention in previous years)
 laid down for the S.B.
 under para 704 A.R.I.
 Vol. I.)

In the regard to the San.
 Comm. & the San. Engineers.
 it appears that the
 San. Comm. in Bengal,
 the N.W.P. & the Punjab
 goes to the hills. There appears
 to be no objection to
 allowing these officers to go
 to the hills at their own
 expense: on the other hand
 there appears to be no reason
 why they should do so if
 a similar concession is not
 extended to the officers of
 the D. of Revenue (e.g. the D. of Revenue)

Insp. Genl of Police Dir. of Public Health	do do	do do no hill alls except for official duties.
Insp. Genl of Prison Sanitary Commr	not more than 3 1/2 months. But expected to carry on inspection or other duties in the plains during part of summer. The Sanitary Commr may not proceed to the hills until after completion of his annual course of lecture on Hygiene in Lahore medical college	do
Commr of Excise Dir. of Land Revenue Legal Remembrancer	Throughout stay of Govt. less one month for which they must return to the plains for inspection & other duty	do do
Settlement Commr	not more than 3 1/2 months	not more than 1 month is required to accompany Govt to the hills.

Note.

It seems to me that in the above notes one very important element in the question is not discussed or brought forward at all viz. how far will it interfere with the work of the officers in question to be on the Hills for say six months in the year. I do not know what work the Surgeon-General does apart from office work. He has, I believe some inspection to do, but in 8 years I never knew him inspect anything in Salem or Tanjore. If his duties can be so done, he might be on the Hills as well as in the plains. I know something of the Sanitary Commissioner's work and I am sure that he could not discharge his duties from Coity. If, as I understand to be the case, the duty of construction is to be put on the Sanitary Engineer again, he could not discharge his duties from Coity, but ~~if~~ if it is not, I do not see why he should not do his present work from Coity. I think some examination of the work of these officers is necessary. Attention is invited to the note appended which shows what light a search in the office has thrown on the questions raised above.

Amended

31
TE FOR THE C.S. 22

With regard to the C.S. 22
enquiry regarding the duties
of the S.G. the San. Comm.
the San. Engineer, in
connection with the question
whether these duties should
be interfered with if these
officers were allowed to
go to the Hills, the
records have been searched,
such papers as bear
upon the subject are
submitted.

With regard to the S.G.
beyond the general statement
of his duties contained
in the report in G.O. 600 Feb
d. 12/7/89 (fly II) there
is not much which bears
on the point. Attention
is, however, invited to
Dr. Smith's letter d. 3/4/80
at fly in G.O. 1672 Feb
d. 10/4/80, more particularly
to para 11. It seems that
the duty of inspecting

to check it. In fact, the
S.G. was however to be
an inspecting office,
exercising a general control
over the technical office.
This is, it is submitted,
practically the arrangement
which was submitted. The
disproportionate inspection of the
S.G. are as a rule confined
to the Headquarters station,
it is hardly likely that,
being his own master
in respect to the date of
inspection, he would choose
to do the work to do them
with the permission which
he seeks to spend his
last weeks on the hills,
instead therefore not to leave
until his inspection. If
inspection work is not
done the fact will come
to light when the annual
report is received.
With regard to the
San. Comm. & San. Engineer
please see the rules at
the XXIV in G.O.

966 Pub. Regarding
27/1/89
The San. Engineer please
see also H. Lord Cinema
notified in the
capital over in
G.O. 825 Pub. in which
10. x. 89

he remarked that his
office headquarters should
not be at Orléans and
D.M. the San. Comm. &
The San. Engineer are
however under L & M, &
it is submitted that it
is for that Dept. to
say whether there is an
objection to their being
allowed to go to Orléans.

M.
7/1/90 11/1/90

With ref. to the *C.S.* pencil
note below it is submitted
that the draft does not
decide the question whether
the *S.G.* may stay more than
two months on the hills.

The do. from Mr. Jones
was referred to in the note
but no action have been
passed upon it. The
note was marked for vote
for *C.S.* but does not appear
to have been sent to that
Dept. The Sen. & Congress
being under vote it is
submitted that it is for
that Dept. to decide
whether Mr. Jones may go to
the hills.
