Mr. Higgins.

READ the following letter from the Director-General of Statistics, Simla, No. 504 A, dated 9th September 1899 :-

I have the honour to bring to your notice that on comparison of the figures in tables A-(1 to 4), C.D. and E of the Agricultural Statistics for 1897-9, received with your letter No. 48-A, dated the 9th February 1899, with the corresponding figures in Statement B- Agriculture -in Chapter IV, and statements Nos. 9.10 and 11 in Chapter II of the appendix to the General Administration Report for the same year, the following discrepancies have been observed and I beg that I may be favoured with the reasons of the differences:-

	Table A-1	As in the General Administration Report (Statement B-Agriculture)	As in the Agricultural Statistics.	Difference (i.e. Agr. Statistics more (+) or less (-) than the gen. adm. Report)

<u>Table A-2</u>	<u>Coimbatore</u>

<u>Table A-3</u>	<u>Kistna</u>

2. The difference of 70,638 acres in forest area is apparently due to the fact that from the Agricultural Statistics the area has been deducted for an area of unsurveyed forest formerly overestimated, as explained in the notes appended to your letter No. 40, dated 9th February 1899. It was, however, I presume, by oversight that a similar reduction was not made in the General Administration Report.

Resolution

The following letter will be sent to the Director General of Statistics :-

Sir,

With reference to your letter No. 504 A dated 9th September 1899, I am directed to state that the statistics given in the General Administration Report for 1897-98 were only approximate figures received at the date of submission of these returns to the Local Government, namely, 1st December 1898, whereas those furnished with my letter No. 40 A dated 9th February 1899 are corrected figures subsequently reported by collectors. The former are the same for the most part as those given in the proof copy of the return forwarded to you with my letter No. 6358 Mis. dated 1st November 1898. As under the recent orders of the Government of India, the date of the submission of these returns has been extended to 31st December, the Administration Reports will, in future, contain an exact copy of the statistics forwarded to you, though these will relate to the year preceding that to which the Administration Report refers.

3. Copy will be submitted to Government, Revenue and Public Departments.
