GOVERNMENT OF MADRAS
My dear

Your telegram
of the 20th has reached me
here just now. I have
heard that Sundarajah
will be put in charge of
Tollam & Cettin lake the
Treasury. Vemden Rao
will leave Wood today
I expect. Thorelton joined
yesterday. The Head Quarter
Magistrate's work has been
piling up during Wood's
absence & my head quarter
work during my absence

as true hence it is un-
possible to let any office
attempt to do two works for
the T. B. C. has not time
& C. B. has not power.

In any case C. B. was
going to have had the
Treasury about this time
to enable the T. B. C. to
go out & inspect the
Subtreasuries - the work
must be postponed as
in my opinion it is less
important than the clearing
up of the magisterial

means. If you can
give me a Covenanted
Citizenship within the
next month for Villach
so much the better, but
if not & you consider
that a Dy. Subtreasurer is
necessary to enable
the Subtreasuries to be
inspected, the one is the
best. I should recom-
mend N. C. Srinivasan
chariar, Dy. Subtreasurer of
Palladam - but as
there is no urgency if

any Dr. Allen is
reverting from anywhere
that I should be glad
to have him.

There was heavy rain
on the Eastern Kollat hills
& ~~was~~ much ~~at~~ of
Chamraiyam Taluk &
Neyyar the day before
yesterday,

Yours sincerely

My dear Sir,

I heard from

Wallace the other day, he says he hopes to finish off all the cases he has by the end of the present week in Orissa & begs me to try & get him back to Pollachi. As

Walter I do not think

it right to make any
personal request for
any particular man
a business officer - but
of course I should be
very glad to have him
or any one else at
Tollachi - to set
free Cotton from
the Prison. when
his necessary time is

ready up to the month
the Subaltern to be
inspected. As soon as any
one is available, I gather
from your telegram of
the 28th ult. some one will
be sent. Who will be first available
I can't say.
We have heard no
word of him in the distant
troubled parts of Comtat,
Tollachi - when we are
I am. There is

so anxiously her
the season.

I am just going
round of Udalmahele &
Shampuram & want to see
how far the work of
the way parts of work,
& Karm Talang & then
should have been practically
all over the district.

Yours sincerely,

C. H. Morrison.

GOVERNMENT HOUSE.

Madras 2nd Oct 1839

My dear Stokes,

His Excellency has read the enclosed letters & their accompaniments, with much concern. It is possible that Damargue & the others might have something to say in their own defence; but the matter is evidently a pressing one, & with the district in its present state the benefit of the doubt, if ^{any} must be given to the Collector rather than to the Judge.

Accordingly, His Excellency proposes the following remedy

for the present state of things: +

2. Scott to be warned
that he must join
Kumbakonam within his
30 days joining time. This
will take him out of the
way very shortly.

ii. That Waller should
be transferred at once to
Vezapattam. He is apparently
not good enough at his work
to equal to the charge of
a factory division; & if he
finds Tanjore unpleasant,
it will only mark the

displeasure of God at his
setting himself up against
his own Collector. Edgington
when relieved by Atke could
go to Pollachi which is
vacant, instead of to De-
pabam, & possibly will not
mind the change. His Excel-
lency does not know if Bedford
will require a fresh man in
Bathurst's place, or not. Perhaps
~~Bedford~~ Bedford might be asked on this
point, & if he does, a new man
could be sent to him.

Sturrock should be
transferred Bryant, the

Mr. B. Smith

mona

not yet received of
the same

Forest officer, at once.
(iv) orders to issue that
the magistrate should have nothing
to do with riot cases.

His Excellency will be glad
if you will put these proposals
before members quickly; &
will you please tell Hammick
what action His Excellency
is taking?

I agree. Yours truly

We can manage this
by passing proper orders
on the lists of cases etc.
The Dist. Magistrate has been
directed to submit - Cases etc. the
addl. Secy. Judges are specially ordered
to try, Mr. D. will have nothing to do with
