SIR,

IN Home Department Resolution Nos 1141—50. dated the 22nd August 1898, the Government of India sanctioned certain changes in the conditions of service of Civil Assistant Surgeons with the object of improving their position and prospects. In paragraph 9 of the Resolution it was stated that the introduction of the new arrangements was subject to the express condition that Local and Municipal Funds should pay, in full measure, for the services of the Government Assistant Surgeons attached to Local and Municipal Fund Hospitals, and, therefore, that the contribution payable to Government by those Local bodies must be raised in the Provinces where such contributions are calculated with reference to the pay only, and do not include consideration of leave allowances and pension.

2 I am to inquire whether the general scheme has been introduced in the Madras Presy and if so whether the condition described above has been fulfilled.

I have the honour to be,

SIR,

Your most obedient Servant,

A. H. L. Fraser
