OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

No. *TE/112*

Camp, Coimbatore, the 5th October 1899.

From

SURGEON-~~GENERAL~~ GENERAL J. SIBTHORPE, C.B., F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

With reference to paragraph 5 of G.O. No. 754, Public, dated the 8th July 1899, I have the honor to state that the new agreement of the Officers who have been re-engaged will expire between December 1899 and February 1900 and it will not be possible to decide about two months before whether or not their services will be required at the end of their agreement. In any case it will not be desirable to dispense with the services of any of them until the next cold weather is over and the apprehensions of the plague again breaking out in this Presidency no longer exist. This can only be known at the end of February and in the meantime should any of them apply to return to England after the expiration of their new agreement, they may be allowed to do so.

3. The retention of these Officers as long as possible is all the more necessary as the authorized establishment of commissioned medical Officers for the Civil Department is at present

present below strength.

I have the honor to be,

12,

Mr,
Your most Obedient Servant,

C. St. Charles

Singer General

Tragedy General with the Govt of Masses.

for orders

In para 5 of G.O. no 752 Public dated 8.7.99, the Surgeon Genl was told that if the services of the temporary medical officers, who had then been engaged, were not required at the end of their new agreement, care should be taken to give them notice one month before the termination of the period in each case.

2. The Surgeon General now states that the agreement of the temporary doctors will expire between Dec. & Feb. next.

be possible to decide before the end of February whether their services will be further required on account of plague. He suggests that if, in the meantime, any of them should apply to return to England on the expiration of their agreements, they should be allowed to do so.

3. The following is a list of the temporary doctors who are still in the service of Govt., with the dates of expiration of their agreements:—

- Dr. Luck 25.11.99 (Plague duty, Parambathur, Madras)
- .. Hughes — do — (Ag. D.M. & S.O.)

- 28.2.1900 (Ag. Civil Surgeon, ..)

4. The first four men came

..... 1900.

re-engaged for 6 months from 25.5.99 on their old agreements. If they wish to return to England on 25.11.99 proximo, they can be allowed to do so, & if not, & it is desired to retain their services further, they can remain on their existing agreements. In the face of what the Surgeon Genl. says in his present letter, it will perhaps not be necessary on the part of Govt. to give them, from the 25.11.99 of the current month, a month's notice of termination of employment.

5. The remaining seven doctors were re-engaged for 6 months, with option on the part of Govt. to retain their services for a further period of 6 months. If Govt. decides to exercise the option, notice must be given to each man one month before the expiration of the first period.
