Letter No. 1155.

To the Secy. to the G. of I.
Army Dept.

Sir,

With reference to the correspondence ending with your letter No. 747, Medical, dated the 2nd May 1899, and to Military Dept. notification No. 899 dated the 18th August 1899, in which

Indian Medical Service were posted to the Madras Command, I am directed to request that, if possible, the services of at least two officers of the Indian Med. Service who have completed two years' military duty, may be placed at the disposal of this Govt. for employment in the Civil.

2. Out of 50 officers on the Madras Civil list, eleven are absent on long leave, eight of whom have been granted furlough on medical certificate. Of the remaining three, ~~who were actually granted leave on private affairs~~, two were compelled to apply for leave on medical grounds - There are thus now only 39 officers available to fill 49 sanctioned appointments, and in consequence, the appointments which are reserved for officers of the Indian Medical Service,

are temporarily held by temporary medical officers or Asst. Surgeons. The difficulty in making satisfactory arrangements for the medical charge of districts has lately been greatly increased by the resignation of a large number of the temporary doctors who were sent out from England for plague & ordinary civil duties.

3. The Surgeon Genl. with this Govt. supports for transfer the names of the following officers who have applied for civil employment. -

Capt. R. J. Penny, I.M.S.
" J. Wall ---
" W. G. Richards ---

× I am directed to add that this owing to the Civil Med. Dept being so short handed this Govt. is

Jas. Hazell.

Ry/29.9.98

× Madras Govt. of Judicial Letter no. dt. F. Medl. Eleven officers on leave no long leave except on P.A. Leave

pulled to continue the prohibition against the grant of all leave, except on medical certificate, to medical officers. Further, as there are at present no young officers of the Civil Medical Service under training in civil duty, it will be difficult to find suitable substitutes for officers of the Civil dept. who may apply for furlough, in the event of the Govt. removing the prohibition against the grant of leave.
