Sir,

With reference to the correspondence ending with your letter No. 3607, dated the 28th August 1899, I am directed to state that the Government of India do not desire to alter the existing practice under which the prescribed particulars regarding lunatics are sent direct to the Secretary of State by the Government of Bombay.

I have the honour to be,

Sir,

Your most obedient Servant,

Sir,

I am directed to acknowledge the receipt of your letter No. 1281, dated the 5th August 1899, regarding the deportation of civil pauper lunatics from India and to state that the instructions contained in paragraph 1 thereof will be attended to.

2. With reference to paragraph 2 of the letter, I am directed to observe that, in accordance with paragraph 3 of Home Department Resolution No 12-553-66, dated the 27th October 1886, referred to therein, it has been the practice of this Government hitherto to forward particulars of lunatics direct to the Secretary of State in anticipation of the departure of the insane persons. The orders require, however, that the actual date of embarkation should be communicated to the India Office, and it has been found that the

essary information has frequently not been received by this Government till some days after the lunatics departure. If to this unavoidable delay is to be added the delay caused by sending the required information through the Government of India, it will, at times at any rate, be impossible to arrange at home for communication with the lunatic's friends. I am therefore to suggest for the consideration of the Government of India that the present practice by which this Government forward the necessary details direct to the Secretary of State may be adhered to.

I have &c.,

Newspapers put up deal with the case of a lunatic, Thomas, who was sent to England virtually by the Govt of the Punjab instead of the Madras Govt. He was sent here by the Punjab Govt, after being kept under confinement in the Madras Lunatic Asylum, and then it was the Punjab Govt which moved the Govt of India at the request of the Govt to arrange with the Secy of State for the removal of the lunatic to England; it was that Govt which bore all the cost of the removal. Please see if there was any case in which this Govt sent a lunatic belonging to this Govt to England.

The RO has also been able to trace one case (that of Lunatic Pleeson) that occurred since the receipt of the Jy 1 resolution of 96; but I am not sure if that would answer our purpose. (No other case could be traced.) The papers are lunatic Lees (Flaps V + VI) appear to suit; but that is a case of 1884.
