(Emigration)
dated 6-6-99.

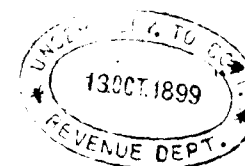

Letter from the Government of India, Department of Revenue and Agriculture, to the Honourable the Colonial Secretary to the Government of Natal, No. 1946/53-4 dated 27th September 1899.

I am directed to forward a copy of a Despatch from Her Majesty's Secretary of State for India, with enclosures, in which His Lordship has desired that an arrangement should be come to between the Governments of India and Natal, regarding the payment of a separate fee by the Colony for the audit of the accounts of its Emigration Agency at Madras.

2. As His Excellency the Governor is aware, it has hitherto been the practice of the Governments of Natal and Mauritius to pay to the Government of India a joint fee for the audit of their accounts in proportion to the work done for each government. Owing however to the suspension of emigration to Mauritius that Colony has found it expedient to practically close its Agency at Madras and has suggested that, in view of the great reduction in work, a fixed sum of 100/- per annum will be fair remuneration for the work done for the Colony in future.

3. I am accordingly to enquire whether the Government of Natal desires to continue the payment of the present audit fee, and if not, what modification in the existing arrangements is proposed.
