OFFICE OF SURGEON-GENERAL

From SURGEON-GENERAL, J. SIBTHORPE, C.B., F.R.C.S.

SURGEON-GENERAL WITH THE

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

SIR,

25/11/97

Adverting to my letter 2^o 475
dated 23rd November 1897 regarding the transfer
of the Station Hospital to the General
Hospital authorities, I have the honor
to suggest the desirability of very early
steps being taken to expedite the transfer
as the Station Hospital is, I understand
ready for occupation by the Military
Department with the exception of a
gateway or two, a work quite immaterial
for the purpose. I make this application
as the Senior Medical Officer reports on
the authority of the Consulting Architect
that the execution of repairs and alterations
to the building to adapt it to the purpose
for which it is intended is likely to take
some time and that the provision of
funds made for the above works would
lapse unless they are taken in hand
at

at once. The delay and trouble incidental
to a re-allotment of funds in the next year
and their expenditure subsequent thereto
would be saved if the building is at
once vacated.
