P.S.—It is requested that the draft answers together with the notes, if any, may be written only on one side of the paper.

VERY DEAR

XII

Public Department.

XIII. (a) Whether Government is now in a position to give a definite reply as to when the five Civil Surgeoncies thrown open for the Civil Assistant Surgeons will become available for them?

(b) Whether Government will be pleased to avail itself of the occasion afforded by the retirement of Major Patch of the Indian Medical Service, District Medical and Sanitary Officer of Kurnool, to create a vacancy in one of the Civil Surgeoncies now held by a commissioned officer of the Indian Medical Service by transferring the latter to the place of Major Patch, and make the Civil Surgeoncy thus vacated available for one of the 1st-class and senior Civil Assistant Surgeons?

(c) Whether the number of the Civil Surgeoncies available for Civil Assistant Surgeons will be increased as proposed by the Government of India, and, if so, whether Government will be pleased to state when this is likely to be carried out?

(a) It is impossible to say when Civil Assistant Surgeons will be appointed to the five posts of Civil Surgeons for which they are eligible. Before the claims of Assistant Surgeons can be considered the posts must be vacated in the ordinary course by the present incumbents.

(b) The question will be considered when arrangements are made for filling up the vacancy at Kurnool.

(c) The Govt. is not aware that any proposal has been made by the Govt. of India for increasing the number of Civil Stations for which the posts are available for Civil Assistant Surgeons.

Note.

Question XIII. Clause (a).

Apparently a definite reply cannot now be given. Of the 7 List II appointments, 5 are to be reserved for Civil Assistant Surgeons. One of these is held by an uncovenanted Medical Officer and one by a Military Assistant Surgeon. Commissioned Medical Officers have a lien on the other three, which can only be permanently filled by Civil Assistant Surgeons when they are vacated. Of the 7 List II appointments, four (Chittoor, Guntur, Negapatam and Tellicherry) are in officiating charge of Civil Assistant Surgeons, and Ootacamund (half year appointment) is usually held by a Civil Assistant Surgeon. Cannanore is held by a Commissioned Medical Officer and Chatrapur by a Military Asst. Surgeon.

Clause (b). A Commissioned Medical Officer will no doubt be permanently posted to Kurnool when Major Patch's retirement is finally announced. Whether this will set free an List II appointment can only be known when the Surgeon-General makes proposals. The answer may be that the point will be kept in view when the question of Major Patch's retirement is finally settled.

settled.

Clause(c). The Govt. of India has not proposed to increase the number of Civil Surgeoncies available for Civil Assistant Surgeons in Madras. In its letter No. 946-953, dated 24th August 1897, the Govt. of India proposed that the total number for India (19) should be increased to 28, but it was not proposed to increase the number for Madras to beyond 5, the existing number. In letter to the Government of India No. 1322, Public, dated 6th October 1897, this Govt. offered to transfer Cocanada to List II, if the Govt. of India thought a further reduction of the war reserve of Commissioned Medical Officers unobjectionable, but apparently this proposal was not accepted, for in para. 8 of its Resolution printed with G.O. No. 1520, Public, dated 11th December 1898, the Govt. of India keeps the number of reserved appointments in Madras at 5. The answer might be that the Govt. of India has not proposed to increase the number of Civil Surgeoncies, already fixed for Madras after full consideration, as available for Civil Assistant Surgeons.

XII. (a) Whether it is a fact that Civil Assistant Surgeons appointed to act as Civil Surgeons or as District Medical and Sanitary Officers, who had hitherto been drawing a deputation allowance of Rs. 100 in the case of 2nd and 3rd class officers and Rs. 150 in the case of 1st-class officers in addition to their substantive pay, have been directed to draw from the middle of January 1899 only an allowance of Rs. 70?

(b) Whether, in view of the recent resolution of the Government of India to better the status of this class of officers, Government will be pleased to take steps to continue their old deputation allowances?

(a) yes.

29.3.99 (6) The change has been ordered by the Govt of India, and it is not in the power of this Govt to continue the former ~~old~~ scale of allowances.

XXXIII. (a) In reference to the rules governing the pecuniary relations of Government servants embodied in Part III of the "Rules regulating the personal conduct of Government servants," will the Government be pleased to consider whether it is desirable that that portion of rule No. 23 should be retained, which prohibits officers in the subordinate executive and judicial services from lending money at interest to landholders throughout the province and to owners of house property in towns and hill stations?

(b) In view of the general indebtedness of agriculturists and small landholders in this province and of the extortionate rates of interest charged by sowcars, as well as in the interests of the comparatively low-paid subordinate service, will the Government be pleased to exclude from the area of prohibition the native district and one or two neighbouring districts of the Government servant concerned on the condition of his not being employed in those districts?

(c) Will the Government be pleased to state the circumstances under which British firms are exempt from the rule of prohibition as regards monetary transactions with Government servants as embodied in rule No. 24? Will it be pleased to consider the desirability of taking such steps as may be necessary to place all firms, British and Indian, on the same footing in connection with this matter?

(16) The provisions of rule No. 23, which prohibit officers of the Govt. of India, and...

The Govt. of India regards the rules as necessary to the interests of upright administration...

...The Govt. declines to consider their modification. (in. G.O. 1265 P.H. d. 24.9.97) and G.O. 375 P.H. d. 7/10/98. []

(17) The example referred to by the Member in charge (1) having been made by the Govt. of India, the Govt. of India is unable to state the circumstances upon which it was based.
