Ootacamund,

No. 394.

From

The Government Epigraphist.

To The Chief Secretary to Government.

Sir, In G.O. No. 673, Public, dated 25th June 1896, the Government sanctioned the permanent transfer of this officer from Bangalore to Ootacamund at the special request of Dr. Hultzsch. At the time when this order was issued it was uncertain whether the Department would continue after the 31st March 1898 (and, paras 3 and 5 of Mr. MacLagan's letter dated 25th June

G.O. 671 - C 1893, No. 2527, to the Chief Secretary to the Government

22893

Government of Madras). Consequently when Dr Hultzsch asked for the permanent removal of his office to Ootacamund, he evidently meant that he should be allowed to remain on the hills until 31st March 1898, and this is what the Government sanctioned.

2. Dr Hultzsch in para 2 of his letter No 299, dated 14th August 1897, stipulated that, in case his services were to be retained after the 31st March 1898, his headquarters should remain at a hill-station. As it is not known whether Government has agreed to this stipulation of Dr Hultzsch, I have the honour to request that the orders passed on this point may be communicated to me.

3. I make this reference at
the

the request of Dr Hultzsch who writes me to move Government to reconsider the order (S.O. dated 27th September 1898, No 1225, Public) refusing local allowance to his establishment while on the Hills. Dr Hultzsch contends, as I understand, that S.O. dated 25th June 1896, No 693, Public, became inoperative after the 31st March 1898. I gather, however, from S.O. dated 27th September 1898, No 1225, Public, that, if Government has agreed to Dr Hultzsch's stipulations, it has done so on the condition already laid down in the S.O. of 1896. Dr Hultzsch, I should add, fears that several members of his staff will resign if local allowance is refused.

I have the honour to be, Sir,
Your most obedient servant

SUBJECT. *That transfer
of the Govt. Epigraphist -*

FOR ORDERS.

The Collector of the
Nilgiris, as Officer in charge
of the Govt. Epigraphist's office,
inquires whether G.O. No.
673 Public dated 25.6.96,
which sanctioned the
permanent transfer of
the Epigraphist's office
to Palacamm, is to be
considered as in force
after 31. March 1898.

2. He remarks that
when the G.O. was issued,
it was uncertain whether
the Dept. would be
continued after the 31.
March 1898, so that
when Dr. Kultzsch asked
for the permanent removal

of his office to Dolacumma.
he evidently meant that
he should be allowed to
remain on the hills until
31.3.98, that this is what
Govt. sanctioned -

3. He goes on to say that
in August 1897, Dr. Mulliyil
stipulated that in case his
services were retained after
31.3.98, his head quarters
should remain at a hill
station, and that as it is
not known whether Govt.
has agreed to this stipulation,
he asks that orders may
be passed on the point -

4. The reason for this
inquiry comes out in para
3 of the current - If
Govt. declares that it agrees
to the stipulation, Dr.
Mulliyil wishes to make
it the ground for a request
that Govt. will reconsider
its order no 1228 Public
dated 27.9.94, refusing
to grant Hill allowance
to his establishment -

Dr. Mulliyil contends that
Govt. no 673 Public dated 27.6.96,
sanctioning the removal to
Dolacumma, became
inoperative after 31 March
1898. He apparently wants
fresh orders to be passed
on the subject, & on these
fresh orders, he wants to
come up again on the
question of Hill allow^{ance} to
his establishment -

5. It is submitted that
the letter is nothing but
special pleading - It is
stated that when the removal
of the office to Dolacumma
was sanctioned in 1896,
the question of Dr. Mulliyil's
retention after March 1898
had not been settled,
but the matter was under
correspondence with the
Govt. of India, and there
is no reason to doubt
that when the order
of June 1896 was passed,
Govt. had in view the

prospect of Dr. Hultzy's
Confirmation. When the
Secy of State's sanction to
Dr. Hultzy's retention
was received, Govt. said
nothing about reconsidering
the question of his local
quarters, & this fact should
have shown him that
there was no intention
of disturbing him.

6. The note attached
to G.O. No. 1228 Public dated
27.9.98. Shows that in
refusing still allow to
the Retiree, Govt. did not
overlook the circumstance
that since the issue of G.O.
No. 673 Public dated 25.6.96 A
the conditions had been
somewhat altered by
Dr. Hultzy's confirmation.
The order was passed after
full consideration of
all the facts.

7. In the last para of
the current it is stated
that Dr. Hultzy fears

+ G.O. No. 931 Public
of 20.7.98

that several members of
his staff will resign
if local allowance is re-
fused. The staff consists
of three assistants & three
messengers. The 3rd Assistant
at Rs. 200 per annum was
only recently appointed
at Potoomah. He was
probably attracted by the
high respect of any
question of local allow-
ance is hardly likely to resign
if he is refused the allow-
ance. Even if he does, his
services cannot yet be
very valuable & there
cannot be much difficulty
in replacing him. The
Mess. Asst. has just
that his pay increased
from Rs. 50 to Rs. 75-7-110
& he is not likely to
resign. Now is the 4th
Asst. who draws a
salary of Rs. 200-10-200
more. There remain only
the 3 messengers, who are

paid at the rate of Rs 15, 10 and 9. As stated in the notes attached to G.O. No. 1225 Public dated 27.9.98, there cannot be any difficulty in finding good houses at ~~the~~ ^{the} ~~same~~ ^{same} ~~rate~~ ^{rate} of pay, if the old ones choose to go.

8. The answer to the current might be that Govt. has no present intention of rescinding G.O. No. 673 Public dated 25.6.96, but that it declines to reconsider the decision in G.O. No. 1225 Public dated 27.9.98.

Cu. ^{Ar.} 20/1/99

This plea is probably made by the First Ant. who is ~~now~~ ^{de facto} ~~the~~ ^{the} ~~antagonist~~ ^{antagonist}. The whole matter has just been considered and the Ant. I think he is wrong.
