GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

Read—the following papers:—

Endorsement of H. A. GASS, Esq., Acting Conservator of Forests, Southern Circle, No. 1093, dated 26th September 1898, forwarding letter from H. Tireman, Esq., District Forest Officer, North Malabar, Ref. on C. No. 122 N. and S. of 1898-99, dated 11th September 1898, and Reference thereon, No. 386, dated 12th October 1898.

From T. HESKETH BIGGS, Esq., Accountant-General, dated 31st. October 1898, No. 4844.

There is no rule or order, as far as this office is aware, relative to the question raised by Mr. Tireman, and in the absence of special orders on the subject, Mr. Tireman must be granted leave under the ordinary rules to enable him to serve with the regiment.

Reference No. 436, dated 19th November 1898.

In the first letter read above, Mr. Tireman, District Forest Officer, North Malabar, inquires, with reference to Rule 3 of the Regulations for the Indian Army Reserve of Officers published at page 437 of the *Fort St. George Gazette*, dated 10th April 1894, whether the period of not less than one month spent by an officer with a regiment or battalion of the regular forces in order to obtain a commission as Second Lieutenant will be reckoned as leave or as duty. The Accountant-General, to whom a reference was made on the subject, states that there is no rule or order, so far as his office is aware, relating to the question, and considers that in the absence of special orders, an officer should be granted leave under the ordinary rules to enable him to serve with a regiment.

2. In G.O., No. 53, Public, dated 23rd January 1895, it has been ruled that when volunteers who are Government servants attend camps of exercise with the permission of the heads of their departments or offices, they should be considered to be on casual leave during the period of their absence from duty, and that such leave should not count against the casual leave for which a Government servant is ordinarily eligible. This concession was recently extended in G.O., No. 1185, Public, dated 17th September 1898, to volunteers attending rifle meetings. The Board considers that on the analogy of these orders an officer who is permitted by the head of his department or office to serve with a regiment or battalion of the regular forces in order to qualify for a commission in the Indian Army Reserve of Officers may be considered to be on casual leave during the period he is away from duty. The orders of Government are requested in the matter.

Submitted for order.

The question is not
one which relates to common
leave generally, but of
leave to candidates for the
Indian Army Reserve of
officers, who may be absent
from their ordinary duties
while qualifying for a
certificate of efficiency.

The question of the
grant of leave to Volunteers
attending Rifle meetings
& Camps of Exercise was

submitted through the
Asst. Secy.

Questions relating
to the Indian Army Reserve
of officers are closely
with those relating to
Volunteers, & are usually
submitted through the
Asst. Secy.

This file appears
to have been correctly
submitted to the Asst. Secy.
