I have the honor to state that the Taluk Board of Ramnad, in consideration of the very great difficulty felt in finding a suitable building for the location of the hospital at Tondur, proposes to utilize the sale proceeds of the Tiruvadanai dispensary building towards the construction of a new building at Tondur if the Ceylon Government would contribute the balance amount that may be required for the purpose. I request you will be so good as to ascertain the views of the Ceylon Government in the matter and communicate the same, so that if that Government agrees to the proposal, provision be made in the Budget for 1899-1.

Note for the Secretary

In its letter of the 4th April 1898 the Government of Ceylon consented to meet the difference of expenditure, estimated at Rs 1550 per annum, involved by the transfer of the Local Fund dispensary at Tiruvadanai to Trind, the extra cost being due to the placing of the institution at the latter station in charge of a Senior Civil Apothecary who was, in addition to his ordinary duties, to undertake those of an Emigration Agent on behalf of the Ceylon Government, instead of a Hospital Assistant as at Tiruvadanai.

2 Subsequently in its letter of the 5th January 1899, the Government of Ceylon consented to pay an additional charge of Rs 120 per annum, being the allowance proposed to be paid to the Senior Apothecary.

one referred to, for his additional
as Immigration Agent.

3 In consideration of the very
great difficulty which is felt in
finding a suitable building for
the location of the dispensary at
Tondi, the Taluk Board^{now} proposes
to construct a new building there on
the standard plan, at an estimated
cost of Rs 3,350, exclusive of the
value of the land which has to be
acquired for the purpose. A sum
of only Rs 500 having been realised
by the sale of the dispensary building
at Tuvadanai, the Taluk Board
enquires whether the Ceylon Govern-
ment would be willing to contribute
the balance required to meet the cost
of a new building.

4 As it is clear that the Taluk
Board would not have had to under-
take this expenditure but for the
fact of the transfer of the dispensary
to Tondi in deference to the wishes of
the

the Ceylon Government, it seems
that that Government should con-
tribute Rs 3,350, the sum of Rs 500
realised by the sale of the building
at Tuvadanai being reserved for
acquiring the land required for the
new building at Tondi; but it is
unfortunate that this was not fore-
seen when the original agreement
with Ceylon was concluded. In view,
however, of the fact that the Taluk
Board has now secured the services
of a senior *c. i. p. a.* for its
dispensary at Tondi, while it pays
only as much as is required to
meet the pay of an Hospital Assist-
ant, it is for consideration whether
the Board may not be required to
pay from its own funds the cost
of constructing the new building
in question.

5 With reference to the
last portion of the *S. M.'s* note
at it is submitted that the
draft letter to Ceylon was forwarded
