OFFICE OF SURGEON-GENERAL

No. 8/34

WITH THE GOVERNMENT OF MADRAS,

Madras, 20th March 1899.

From

SURGEON-GENERAL G. SIBTHORPE, C.B., F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

with reference to G.O. No. 274, Public,, dated 6th March 1899, I have the honor to state as follows:

1. Paragraph 3 of the Director General's note on the annual returns of Hospitals and Dispensaries for the year 1897.

In future all institutions will be dealt with in the general statements - separate totals being given for each grant.

In the Bombay Presidency the statistics of Police Hospitals appear to have been included in the report on Civil Hospitals and Dispensaries. I request instructions whether such course may be adopted in the case of this Province.

2. Paragraph 11.

"Suturing of wounds" "washing out bladder" "erosion of ulcers" "plastic operations", "artificial respiration" and certain others which do not find place in the "Nomenclature of Diseases" were included under "operations not classified". In future these will be differentiated.

3. Paragraph 11.

Hypodermic injections and even vaccinations are classified as operations. The former are included and the latter excluded from the Returns of this Presidency.

Paragraph 14.

I have the honor to be,

Sir,

Your most obedient servant,

C. Libmore.

Surgeon-General,

Surgeon-General with the Government
of Madras.

For orders

1. The Surgeon General's report to the Secretary of the Dept. of Health on the report of the year 1897 on medical institutions in the city of Bombay & the Civil Hospitals & Dispensaries in the District of Bombay.

2. The Surgeon General asks for orders on these points:-

(1) Whether, as in the Bombay Presidency, the statistics of Police hospitals should be included in the report on Civil Hospitals & Dispensaries.

(2) Whether the list of important operations should

include operation performed
by all medical subordinates
& private practitioners, both
male & female, who submit
statistics for the annual report.

3. as regards (1), the Govt.
of India does not expressly
ask for the inclusion of

statistics of Police hospitals, but if their omission while
comparison with the rest of India
it is submitted that they should
be included.

4. With reference to (2),
the Surgeon General was told
in para 1 of G.O. no 1385
dated 14.10.97

that the "Selected list
of surgical operations
performed by individual
officers" might with
advantage be expanded
so as to include ~~no officer~~
below the rank of Asst.
Surgeon. The Govt. of India
now notices the omission
of the names of hospital
assistants who performed
important surgical operations.
~~The Surgeon General however~~
goes much further, and
inquires whether he
~~should include operations~~

The omission of Hospital Assistants
was advised as one way
of reducing the length of
the S. G. reports. It
is submitted that India
may be told that the
Govt. does not want these
details - (they are
matter simply for the
head of the Dept.) but
that it has no objection
to the inclusion ^{if India desires it} in the
biennial report, of a
list of the Hospital Assistants
who have performed
the largest number of
important operations
during the three years.
Any addition to the
length of the intermediate
reports is to be deprecated.

Dr. J. 17/4/99
agreed
18.4.99.

Dr.

The first of these is the
 fact that the
 second of these is the
 fact that the
 third of these is the
 fact that the

189

Order no 421 of 11-4-88

Para 1 of the Surgeon General's letter. The omission of the statistics of Police Hospitals in the report on Civil Hospitals & Dispensaries probably vitiates comparison with those ~~produced~~ ^{mentioned}, & the Govt. consider that they should ~~be included~~ ^{be included} in the report.

Para 4 of the Surgeon General's letter. The omission of operations performed by ~~hospital~~ ^{hospital} ~~institutions~~ ^{institutions} was ~~ordered~~ ^{ordered} as an indication of reducing the length of the annual report. The Govt. of India will

Issue on 9/11

be informed that this
Govt. has no objection to
the inclusion of such
operations, if the Govt.
of India desire it, in
the triuminal report, &
a list of the Hospitals and
who have performed the
largest number of im-
portant operations during
the three years under review.

Sir,
I am directed to
acknowledge the receipt
of Mr. Nathan's letter
No 225, dated 13 July 1889,
forwarding
a copy of the review
of the Director General
Indian Medical Service,
in connection of the
Report on Civil Hospitals
& Dispensaries for the year

1897, & in reply to state
that the remarks of the
Director General, as contained
in the first three clauses
of para 3, will receive
attention.
2. With reference to
Clause (4) (Paragraph 16
of the review) I am to
say that the omission
from the annual report
of the names of Hospital
Assistants who performed
important surgical
operations was ordered
by this Govt. as one
method of reducing
the length of the ^{annual} report.
This Govt. does not require
these details, which relate
to falling specially
as matters for the
consideration of the
Department, but it has no objection
to the inclusion, if the
Govt. of India desire
it, in the triuminal
report, of a list of
the names of Hospital
Assistants who have
