From R. Morris,
Madras Civil Service.

The Chief Secretary to the Government of Madras,
Public Department.

Sir,

In the Fort St. George Gazette of the 3rd January 1899. I was appointed to be Collector of Krishna with effect from the 4th January 1899. In the Fort St. George Gazette of the 28th February, Mr R. B. Clegg is appointed District and Sessions Judge, Godavari, with effect from the 3rd January. Mr Clegg is very junior in the Civil Service, but the effect of appointing him Judge of Godavari from the 3rd January, is to cause him to take rank as my senior, as by the Warrant of Precedence there "included in our number (as Collectors and Judges are) will take precedence inter se according to the date of entry into that number." Another effect is that, from the 3rd January, Mr Clegg will draw at the rate of Rs 1300 + Rs 466.10.8 a month as Second grade Judge acting as First grade Collector, while I draw Rs 1166.10.8 + Rs 777.12 as Sub Collector acting First grade Collector, and his allowance will exceed mine in that day by Rs 10.6.4.

2. It is not for me to attempt to draw a comparison between Mr Clegg's merits and my own, but I would most respectfully submit that as, when the Government appointed me a substantive Collector from the 4th January in consequence of the vacancy caused by Mr. Graham's retirement on the 3rd, it could not have been aware of the death of Mr L. L. Robinson
