LOCAL AND MUNICIPAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :—

From the Public Department, No.379, dated 6th. February 1899, transferring letter from the Superintendent, Telegraph Department, stating that the Madras Municipality are in the habit of granting permission for laying "pipe lines" for Oil Companies which cross the Beach road without informing him of the fact and requesting that in future intimation should always be given him whenever such permission is granted.

From the President, Municipal Commission, Madras, P.W. No.1113, dated 9th March 1899.

With reference to your endorsement, No 159, dated 15th February 1899, on current No.481 M., (herewith returned) I have the honour to state that the pipes complained of were laid by Messrs. Best & Co. across the North Beach Road with my sanction. When Messrs. Arbuthnot & Co. were doing the same sort of work in July 1898, the Superintendent, Government Telegraphs, communicated with me on the subject and Messrs. Arbuthnot & Co. were informed.

Through an oversight Messrs. Best & Co. were not informed.

The fact is I have no plan of how these cables run, as it is a confidential matter and the Superintendent declined to give me plans.

The present question has been satisfactorily arranged at an interview on the spot between the Superintendent, Messrs. Best & Co. and myself.

To avoid any future difficulty, I have issued instructions that no excavation work is to be carried on between Napier Battery and Royapuram without informing the Superintendent.

The Superintendent has also undertaken to have more attention paid to the inspection of these lines.

The first pipe was put in on 8th December 1898 and the laying of the pipes completed on 6th January 1899 - from that to the 17th January the culverts were being plastered.

The Superintendent only discovered it on 28th January 1899.

ORDER, No. 447 M. Mis., dated 28th March 1899.

The President's letter read above will be communicated to the Superintendent, Government Telegraph Department.
