(Medical)

April 1899.

Sir,

I am directed to refer to the correspondence ending with your letter 19-20 dated the 5th January 1899, stating the number of sets of apparatus for producing Rontgens X-rays required for use in the Madras Presidency.

2. I am to state that the sets of apparatus which have hitherto been procured from England have not proved satisfactory. The Director General of Stores at the India Office has been addressed on the subject and an efficient apparatus will no doubt be eventually procured. But in the meantime there is likely to be some delay in meeting the request of the Government of Madras.

I have the honour to be,

Sir,

Your most obedient Servant,

R. Nathan

Under Secretary to the Government of India.
