Copy of a letter from the widow of the late Military Assistant Surgeon H.H.M. Judge to Captain C.H.L.Palk, I.M.S., Superintendent, Lunatic Asylum, Madras, dated 16th March 1899.

I have the honor to request you will be so kind as to make a representation to Government, through the Surgeon-General on my behalf, as the widow of the late Mr. Judge. He served for over 7 years as Deputy Superintendent of the Lunatic Asylum, and was I believe held in high esteem by all the Superintendents whom he served under for his energy, zeal and good work. The Surgeon-General was kind enough to promise he would make a special representation to Government regarding a well deserved ~~inor~~ increase of pay, not only on account of his steady and good work but also on account of the small salary he drew in comparison with other men of his own standing and the loss he sustained in being debarred private practice. His untimely death last May, prevented this representation ever being made and the small amount my husband was able to save from his salary and the widow's pension which I draw is all I have to live on. Under these circumstances I should feel ever grateful to you if you could see your way to represent my case to Government with a view to their granting me a small honorarium for all my late husband's good work I may also mention that he was chiefly instrumental in compiling the new Lunatic Asylum Code under your direction, a work that necessitated many long and weary hours of extra work. This is not without precedence for in a similar case the compiler of the Civil Medical Code received a special honorarium from Government for his work. I shall always feel grateful Sir, if you will give any support you think fit to this application of mine, which my sudden straitened circumstances necessitated my making.
