No. 233.

TO HIS EXCELLENCY THE RIGHT HONOURABLE THE GOVERNOR

GENERAL OF INDIA IN COUNCIL.

My Lord,

From Secretary of State
25th November 1898.

Your telegram of 9th Nov.
Three doctors started on the
17th Nov. from Marseilles,
five* started on the 1st Dec.
and two will follow 8th Dec.
*Four only started, and
three instead of two on the
8th Dec.

With reference to my telegram of
the 25th November (given in the margin),
I enclose for Your Excellency's
information a list of the names and
qualifications of the ten selected
doctors required for temporary plague or
general duty in Madras, together with
signed copies of the Agreements entered
into with them.

2. It will be observed that two of the
doctors (Drs. Beach and McLean), were
employed on temporary plague duty in
1897-98 and have now been re-engaged.

In Dr. Beach's case the enhanced salary of Rs.600 is stated in his agreement; and as he was unable to serve beyond six months in all, he was engaged for that period only. Dr. McLean's agreement states his salary at Rs.500; but he was told that, if a higher salary should be sanctioned for re-engaged men, he would become eligible for the higher rate, his salary should therefore be adjusted at the rate of Rs.600 a month,

3. All the doctors have been furnished with return passages for four months with power of extension, except in the case of Dr. Beach whose ticket is for six months only.

4. In accordance with the request contained in Your telegram of the 20th November, a clause has been inserted in the new agreements (clause 4), providing for the determination of service in

x Dr. Thomson
" McLean
" Roberts
" Hanna.

case of misconduct or disobedience.

Four^x of the men however had been engaged
on the old agreements before your
telegram was received; and it was not
considered advisable to insert the new
clause in their agreements.

I have, etc.,
