ORDER—No. 1118 W., dated 26th April 1899.

The revised and budget estimates of expenditure under Imperial Civil Works for 1898-99 and 1899-1900, respectively, have been prepared for the amounts passed by the Government of India in the resolution read above.

2. The revised estimate of expenditure for 1898-99, as shown in the preliminary budget, amounted to Rs. 89,718, but the modifications of grants subsequently sanctioned reduced the amount to Rs. 78,233. The Government of India having passed the estimate for Rs. 78,000 in round figures, the difference Rs. 233 has been deducted from the grants for the following departmental heads :—

	RS.
Original works	55
Repairs	83
Establishment	57
Tools and plant	38
Total	233

3. The budget estimate of charges for 1899-1900 was shown in the preliminary budget as Rs. 45,000. The Government of India having now made an additional assignment of Rs. 5,000 for the completion of the combined Post and Telegraph office at Kodaikānal, the estimate has been raised to Rs. 50,000 in the final budget.

4. The allotments provided in the preliminary budget for the Meteorological buildings at Kodaikānal have been redistributed in the final budget with reference to the probable expenditure on the works to end of 31st March 1899.

5. The control of grants for minor works under Postal and Telegraph being vested in the Directors-General of Post Offices and Telegraphs, respectively, Superintending Engineers and the Consulting Architect will apply direct to those officers for funds required for incomplete and new works under the heads in question.

6. Part II of the budget contains the distribution by divisions of the grants for Postal, Telegraph and Salt repairs. Expenditure should be restricted to the amounts allotted and care should be taken to see that all repair estimates provide only for what is absolutely necessary.

7. The Government of India will be requested to place at the disposal of the Director-General of Military Works the allotments provided in the budget for repairs to the Postal and Telegraph buildings at Bangalore :—

	RS.
Postal	50
Telegraph	240
Total	290
Establishment	67
Tools and plant	3
Grand Total	360

8. The instructions contained in paragraph 2 of the Government of India's letter have been carried out.

9. With these remarks, the final issue of the Imperial Civil Works budget for 1899-1900 will be printed and circulated for the information and guidance of the officers concerned, and 50 copies, as shown in the margin, will be forwarded to the Government of India, Public Works Department.
