From A.P. AGAR ESQUIRE,
Ag: THE COMMISSIONER OF POLICE,
MADRAS.

To
The Chief Secretary to Government,
Fort St. George,
Madras.

Sir,

With reference to G.O.No. 1465, Public, dated 6th. December 1898, I have the honor to state that it disposes of the matter only as regards the difference of opinion that existed between the Senior Medical Officer, General Hospital, and the Secretary of the Friend-in-Need Society, Madras, regarding the rules to be observed in the admission of Eurasian Paupers into the Society's Home.

2----- Irrespective of this dispute, the main question raised in Paras 10-11 & 12 of my letter No. 120, dated 27th. October 1898 as to the disposal of Eurasian Paupers, who are sent out of Hospital as not likely to benefit by further medical treatment and who may not be admitted into the Friend-in-Need Society's Home, has yet to be decided.

3----- I request that necessary orders may issue on this point for my future guidance in cases of the kind referred to.

I have the honor to be,
Sir,

Your most obedient servant,

A.P. Agar
Ag: Commissioner of Police.

SUBJECT. Disposal of
European paupers discharged
from the General Hospital

FOR ORDERS.

The Commissioner
of Police, Mayor, asks
for orders as to the
disposal of European
paupers who are discharged
from Hospital as not
likely to benefit by
further medical treatment
and who may not be
admitted into the Friend-
in-Need Society's Home.
2. Res. No. 1465 Public
dated 6.12.98 disposed
of a difference of opinion
between the Senior Medical
Officer General Hospital &
the Hon. Secy. F. in. & Socy.
regarding the admission
of European paupers from

the Hospital into the Home.
The Senior Medical Officer
was of opinion that the
Society was bound to
receive such paupers
without question, but
in the R. above quoted,
Govt. declared that the
Hospital authorities should
comply with the Society's
rules in cases which they
considered suitable for
the Society's care.

3. The Commr of Police
says that the order does
not dispose of the question
raised in paras 10 & 12
of his letter no 120 dated
27.10.24, as to the disposal
of sick Eurasian paupers
urgently requiring shelter
& care, such as are discharged
from hospital as not
likely to benefit by
further treatment. He
pointed out that Europeans
can, if they choose to
declare themselves vagrants,
be admitted into the

workhouse, & that natives
have the Moneysor Choultry,
but that Eurasians have
no place into which they
can be admitted with
certainty. He remarked
that Eurasian paupers
could not be allowed to
roam about the streets
& perhaps die there, &
that a certain shelter
for them in their time
of sickness & necessity
was urgently required.
He now wants orders on
this point.

4. It is not clear
what Govt. can do in
the matter unless it
sets up a Home for
Poor House of its own.

On 20.11.24 Eurasians do not
come under Act IX
of 1874 and cannot therefore
declare themselves vagrants.
It may be true that it is
desirable that some
