From

Offg. Secretary to the Government of India.

To

The Chief Secretary to the Government of

Madras.

Sindia, the 2nd May 1899.

B

In reply to your letter No. 1301, dated the 23rd March, I am directed to state that the Government of India regret that no more officers of the Indian Medical Service can at present be spared for service in the Madras Presidency. The Government of India will however endeavour to meet the wishes of the Government of Madras as soon as possible. It was explained in my letter No. 660, dated the 20th April, that the general want of officers limits at present the number that can be made available for the Government of Madras. I am also to point out that it appears from the

last monthly disposition return issued by the Government of Madras that ten Indian Medical Service officers were absent on long leave against a total number of 48 Indian Medical Service appointments.

I have the honour to be,

Sir,

Your most obedt. Servant,

A. H. L. Fraser

Offg. Secy. to the Govt. of India.
