To

The Chief Secretary to the Government of Madras.

Home Department.

(Medical)

Calcutta, the 4th January 1899.

Sir,

C I am directed to acknowledge the receipt of your letter No. 1222 Public, dated the 26th September 1898, urging the necessity that exists for raising as far as possible to its full strength the civil medical staff in that Presidency and suggesting that if no more senior officers are available, the services of the officers named in paragraph 2 of your letter may be placed temporarily at the disposal of the Government of Madras.

2. In reply I am to express the regret of the Government of India that it has not been found possible to accede in full to the request of the Government of Madras. The only officers whose services could be made available for service in the Madras Presidency were Captains Fraser and Illington. These officers reported their departure for civil employment on the 14th November last, and I am to enclose a copy of a Notification No. 13 of this day's date formally placing their services at the disposal of the Government of Madras.

3. I am to add that an endeavour is being made to obtain the services of Lieutenant W. J. Niblock, I.M.S., who is now serving under the Government of Bombay and if possible he will also be transferred temporarily to the Madras Presidency.

I have the honour to be,
Sir,
Your most obedient Servant,

R. Nathan

Under Secretary to the Government of India.
