be restored to its original strength."

Order 10. 1947 P.M. 12. 14" August 1947

1. The Collector of Bangalore, Bangalore, dated 1st
1947, has advised that in his letter of 1st
1947, he has advised that the Jalapet Inspection Station
is now closed. It is on the discontinue of the medical
inspection of persons at this station. The Sanitary Com-
missioner, however, has advised that the state of plague in the
Bangalore Camp is such that Jalapet should be restored to its
original strength.

2. The medical inspection of persons at Jalapet
was resumed on 1st August 1947, when it was found that there was no
plague in the camp at this station. There was no objection to the
closure of the station, as long as the
Bangalore Camp and Jalapet are free from plague. The Collector's pro-
posal is approved. If plague again attacks
the Bangalore Camp or Jalapet, the station should be restored to its
original strength.

5. In his telegram read above the Sanitary Commissioner
