Enclosures.

SIR,

B

With reference to G.O.No.414,Public,dated 10th April 1899 I have the honour to forward herewith letter No.TS/223 dated 22nd May 1899 from the Surgeon-General with the Government of Madras. On a further reference to the Superintendent of Police, Malabar, that officer reports that the proposed extension to the Police Hospital Kitchen is unnecessary as the patients do not cook their food there. The moplabs live in the lines close by and the hindus either in native hotels or private houses and do not make use of the Kitchen. The Surgeon-General to whom I referred the matter again has agreed that an extension of the kitchen is, therefore, unnecessary.

2. As regards the construction of quarters for the Hospital Assistant, I beg to state that there are no suitable dwelling houses available within 200 yards of the hospital. The Superintendent of Police, however, remarks that no inconvenience has hitherto been felt by Hospital Assistants in obtaining accommodation within a mile of the hospital and the Civil Hospital Assistant can attend to any emergent case

2.

3. With reference however to G.O.No.865,Public,dated A  
14th November 1894 ruling that public quarters should be  
provided for the medical officers when no suitable buildings  
are available within 200 yards of the hospital,I submit the  
proposal on this point for the favourable consideration of  
Government.

I have the honour to be,

Sir,

Your most obedt.servant,
