480 from Mr. Moore to Mr. Head
31.5.98 Assistant Collector, Bellary to
the Collector of Bellary.

Having taken over charge
of this Division from Mr. Head
on the 17th instant, I have the
honour to submit an applica-
tion for acting allowance on the
ground of increased responsibility
as laid down in the Government
order on the subject of acting
allowances to assistants.

As I have not been in-
vested with 1st class magisterial
powers it appears that I am
entitled to the acting allowance
only on the above consideration.

3. Besides the ordinary
revenue work of the four Taluqs
in my charge (I am now engaged
in the inspection of the Taluq offices)
I have of course the work of
President of the Taluq Board. In
addition to this there is a consider-
able special police staff in the
Division

Division, the supervision of which entails additional responsibility.

4. As regards magisterial work I have taken all the more important II class cases on my file and the calendars and judgments of the other magistrates in the Division are submitted through me as Divisional Magistrate.

5. I believe that this claim for acting allowance has always been granted in the case of assistant acting & Head Assistants in the Madras Presidency.

6. "I have the honour to request that you will be good enough to forward my application to Government."

Yours faithfully,
P. L. Moore

In reference to your
Ref. No. 1243 of 7.6.58 I have the honour
to inform you that the super-
visor assigned by me over
the Plaque Inspectors and
Assistant Inspectors in
the Division consists in
reviewing and passing orders
on their diaries in interview
with them and generally giving
them advice and assistance
and in settling the disputes
which arise between Inspectors
and village officers.

2. I also inspect the Registers
kept by Hospital Assistants
at frontier stations with a
view to finding out the number
of persons detained and the
reasons for their detention.

3. As the members of the
Plaque Staff now understand
their

their work well their super-
vision does not entail much
work.

Accountant General to
Government (Public Depart-

increased responsibility, though
I cannot say that as in the case
of Mr. Loring last year (please
see the papers read in 1899)
the responsibility imposed on
him is very exceptional in its
character.

In these circumstances orders are solicited as to whether the ^{Mr. Moore's} case should be treated as a special one and whether the Govt of India

LETTER:- No. 932.

To
The Secretary to the Govt. of India,
Home Department.

SIR,

I am directed to submit the following case for the favourable consideration and orders of the Govt. of India.

2. Mr. P. L. Moore, I.C.S., an Asst. Collector, who passed the Lower Standard Examination in January 1899, was appointed to act as Head Asst.

G.O. 394, Pub., d/ 5-4-99. Q

collector, Bellary, and was in charge of this post from the 13th May to the 17th July 1899. He was appointed a Magistrate of the Second class on the 14th March 1899; but he will not be invested with First Class powers until after he has exercised Second Class powers for a period of six months. In the absence of such investiture he is not, under the ruling noted in the margin, entitled to acting allowance as a Head Asst.

3. Mr. Moore has since been transferred to another district, but during the time he held charge of the Head Assistant's division in Bellary much extra work and additional responsibility were thrown upon him owing to the districts being under observation for plague. In these circumstances, I am directed to request that his case may be treated as exceptional and that, under paragraph 3 of the letter quoted above, he may be permitted to draw the usual acting allowance for the period during which he retained charge of the Head Assistantship of Bellary.
