SUBJECT.

FOR ORDERS.

The Librarian reports that no spare copies of the books in question are available. With the exception of Gundert's Dictionary they are not works that are likely to be in demand in the Secretariat Library, but it is submitted that it would be a pity to ~~keep~~^{break} up the sets, and that the Ephigraphist's office should have its own copies. A list showing the place of publication of each of the books is attached. It is submitted that the Govts. of India and Bombay and the Mysore Darbar may be asked to supply copies of their works, while the other books should be purchased.

Note.

The Govt. Epigraphist asked, in his letter No. 338 of 1931, for a loan of the books noted in the margin. The delay in the disposal of this letter was due to the fact that the place of publication and the price of some books were not known. Though the Govt. Epigraphist asked for a loan of Rs. 16 10 in the letter noted in the margin still it was ^{thought best} ~~not~~ to break up the sets in the Secretariat library, but to allow the Epigraphist's Office to have its own copies.

A draft order & draft letters to the Govt. for the books required by the Govt. Epigraphist were accordingly prepared. Meanwhile the Govt. Epigraphist wanted Nos 8 & 10 and then

asked to specify which (9)

E

only the volume containing
Blagavental Adaraja
on the wall inscription
required - this has been loaned
from the Secretariat Library -
the Boundary Govt. might be
able to supply a copy of
Vol XVI, whilst the
Secretariat copy has been
recovered - W.B.G.
The Govt. Geographer sent
the volume containing D₂

It is submitted that - having
established a costly stereographic
apparatus it is undesirable to
limit the usefulness of this
office by declining to supply
the necessary books.

Dr. - If one is certain that
they are necessary - then
the Librarian must use

NOTE FOR THE UNDER SECRETARY.

With reference to the Chief Secy's note at the bottom of page 3 of the note for order please see Current no. 3690. in which it is stated that Dr. Hultgren had his own copies of the books applied for, & that he allowed his office to use them; also that he took the books with him to Europe. It seems desirable that Govt. copies should be available in the office.
