From

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras,

To

THE Honorable the Chief Secretary
to Government Public Dept.

SIR,

I have the honor to submit for the information of Government a report from the Assistant Physician General Hospital on the state of health of Mr J. R. Anderson one of the Temporary Plague doctors, who is now a patient in the Hospital.

"Doctor Anderson is very dangerously ill with enteric fever and it is doubtful if he will recover. He appears to have been going about his ordinary occupations, bicycle riding in the day time etc, whilst suffering from the fever and this has resulted in making the prognosis very unfavorable. There is hyperpyrexia, delirium and great prostration."

I have the honor to be

Sir,

Your most obedient servant
C. Sibthorpe.
