Sir, 21. 11. 1900.

To The Lieutenant General Commanding the Force, Madras.

Sir,

I am directed to forward to you a copy of a letter from the Chief Secretary to the Government of India dated 19. 11. 1900, in which it is stated that the civil medical officer who at present performs the duties of Fort Surgeon, Madras, may be relieved of his military duties.

The military duties performed by the Fort Surgeon Madras are defined in paragraph 146. Army Regulations India, 1900. Under paragraph 147 of the same regulations a Staff Surgeon is allowed for the headquarters station of each district, but owing to the presence of the Fort Surgeon at Madras, no Staff Surgeon is attached to that district. It is therefore the Fort Surgeon is to be relieved of his military duties, it may be necessary that one of the military medical officers at Madras should be appointed Staff Surgeon as a collateral charge, under paragraph 147 Id. I am accordingly to request that the Government of India may be pleased to

an early report on this subject through
the Controller of Military Accounts, Madras
Command.

I have the honor to be,
Sir,
Your most obedient servant,
