For orders

In para 3 (iv) of the
G. O. Resolution, printed with
G.O. No. 932 Rev., dated 25.11.97
granting certain concessions to
officers employed on famine
duty, it was stated that the
concessions would ordinarily
cease to be admissible after
the expiry of two years from
the date (15.11.97) of the Resolu-
2. G.O. No. 293 Rev. dated
23.6.99, ruled that leave
granted under the terms of
the Resolution above quoted
should be taken so as
to begin before 15.11.99,
but need not end before
the last mentioned date.

Owing

3. Owing to the exigencies of the service, all leave, except on medical certificate, has been refused to officers of the Civil medical dept., & in G.O. no 961 Public, dated 2.9.99, Govt. declined to remove the restriction.

4. The Surgeon Genl. now inquires whether in spite of this restriction, medical officers declared eligible for the famine concessions can be granted leave before the 15th Nov. 1899, & it is for consideration whether the prohibition can be removed so far as regards such officers. The medical officers entitled to the famine concessions are named in G.O. no 721 Public, dated 29th June 1898. Of the Commissioned officers named, the following have already been granted privilege leave or furlough on medical cert., & they will derive the advantage of the famine concessions: -

Lt. Col. W. F. Thomas
Major A. J. L. Patch

Lt. Col. A. H. Leaping well -
Major H. M. M. M.

5. It may be pointed

out that para 3 (iv) of the Resolution of 15.11.97 provides for the grant of the concessions beyond the 15th Nov. 99, in cases where the exigencies of the service have necessitated the refusal of leave, & have thus prevented the grant of the concessions within the prescribed period.

23.9.99

It is submitted that the S. G. may be informed that the restriction on the grant of leave must stand, but that Govt. will make use of the power granted it in para (iv) of the Resolution of 15.11.97, so as to protect from the loss of the famine ^{medical} concessions ^{medical} officers who have
