SIR,

With reference to G.O. No. 858, dated 1st August 1899, I have the honour to submit a report on the list therein enclosed, and herewith returned.

2. If the sum of Rs 20 incurred in 1892-93 by the Collector of Kistna, and entered as
 x Supplies and Services of
 x the Archaeological Department
 See G.O. No. 600 F dated 4th June 1892. ment" refers to the purchase of an inscribed

Saina column about that date, I think the charge might legitimately be entered in the archaeology section.

3. I do not know what the "petty Carriage and coolie charges incurred by the Government Epigraphist" in 1897-98, refer to.

4. The charge for upkeep of the Dutch Flag staff Bastion at Negapatam, Tanjore, should be excluded from the Archaeological section and included under the head of "Tombs or monuments of Europeans."

5. The repairs to the Gurrum-Konda mahal, in the Buddapah District, though not undertaken primarily to preserve the buildings as objects of Archaeological interest, have attained that end.

6. I do not think that the expenditure on the repair of damaged planks to the bridge in the Palaghat Fort, Malabar, should be included in the statement.

7. All the other entries refer to monuments of Archaeological interest.
