Firing of time gun at Vizagapatam.

Sanctioning the request of M.R.Ry. A. V. Jaggarow Garu of Vizagapatam to be permitted to fire the time gun at that station on the conditions stated by the Collector.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following papers:—

From W. O. HORNE, Esq., Collector of Vizagapatam, to the Chief Secretary to Government, dated 25th July 1899, Ref. on C. No. 2063.

I have the honour to forward herewith copy of a letter, dated 20th July 1899, from M.R.Ry. A. V. Jaggarow Garu of Vizagapatam (the plaintiff in the observatory suit) requesting me to address Government on the question of allowing him to fire the time gun, a concession which was granted in G.O., No. 3837, dated 28th November 1871, Military Department, to his father and later on to his mother from 1871 to 1899. I see no objection to the proposal made by him as he consents to have every thing managed under exactly the same conditions as those entered into by his father, the late Mr. A. V. Narasingarow. The ammunition required can be supplied by the officer in charge of Details at Vizagapatam at Mr. Jaggarow's expense as hitherto when the G. V. Jaggarow observatory was under Government control.

The gun itself is useless for any other purposes.

ENCLOSURE.

From M.R.Ry. A. V. JAGGAROW GARU, to the Collector of Vizagapatam, dated Daba Gardens, 20th July 1899, No. 267.

In the year 1871, my father the late A. V. Narasingarow Garu wrote to the Government for permission to have a gun fired in Vizagapatam as it is an important town. The Government considered the advisability of the step and allowed the firing the time gun inasmuch as it did not put the Government to any expense, my father having undertaken to bear the expenses connected therewith. The Government in its Resolution No. 465, order thereon, dated 28th November 1871, No. 3837, thus permitted the firing of a time gun at Vizagapatam. This is the previous history of the time gun. The Government of Madras has continued the favour from 1871 to 1899, a period of twenty-eight years. So I request that there could be no reason why the same favour be not conferred upon the town of Vizagapatam now. As a growing town of importance the European and Native residents of the place would feel the absence of standard time very keenly. The neighbouring towns of Vizianagram and Bimlipatam have got a watch tower. But Vizagapatam has no such advantage.

In view of the above circumstances I request you to be kind enough to recommend to the Government the continuance of the firing of the time gun as usual.

Endt. No. 2055, Public.

Referred to the Deputy Adjutant-General, Madras Command, for favour of remarks.

12th August 1899.

(Signed) G. STOKES,
Chief Secretary.

From Brigadier-General G. SIMPSON, Deputy Adjutant-General, Madras Command, to the Chief Secretary to Government, dated Ootacamund, 6th September 1899, No. A.E. 13498.

There is no objection to M.R.Ry. A. V. Jaggarow of Vizagapatam being permitted to fire the time gun at that station on the terms he suggests.

ORDER—No. 1016, Public, dated 11th September 1899.

The request of M.R.Ry. A. V. Jaggarow Garu is sanctioned on the conditions stated by the Collector.
