For order.

* Dr. Myler is the 2nd
in the last given in para 3
of this note.

D

Attention is solicited to the
note for orders in 80 no. 1148 D.H. 10-99.

In that Govt. accepted the Surgeon-General's suggestion that such of the temporary doctors as may apply to return to England on the expiration of their present agreements, may be permitted to do so. Dr. Myler is one of the four doctors referred to referred to in para 4. of the above note

7

murderers who came out in March
98. His term of agreement-
expires on the 25th instant.
He now asks whether the price
of his ticket- will be given to
him or whether his passage will
be booked by the S. S. Arabia
leaving

Bombay on the 2nd proximo.

Dr. Myler has no return ticket ^{Do. 150} ^{20.5.99} F

and under the terms of his agreement has to be provided E with a first class passage home.

It is not usual to give these doctors the price of their tickets and the S.G. may, therefore, be told to make the usual arrangements for providing Dr. Myler with a return passage home. MA

It is, however, submitted that it is not clear ~~whether~~ ^{that} Dr. Myler is ^{un} ~~not~~ willing to continue to serve for any further period and in view of the opinion expressed by the S.G. in para 3 of his letter read in G.O. No. 1148 Pub: D 11.10.99. (univ). D

that the retention of these officers is ~~as the more~~ necessary as long as or at least till the end of the approaching cold season, possibly the S.G. may perhaps be asked to ascertain from Dr. Myler's ^{homage} whether he is willing to continue to serve under the existing ^{or any other terms} and if so for what period. A

It is subm^d that the deputation of 15 Hospital Assistants to the CP makes it the more advisable to extend if possible the period of

DR

service of these temporary men that is in authorising the S.G. to provide a 1st class passage by the "Arabia" if it is required the suggestion at A in the note may be carried out.

DRG
5/11/99 CS.

The S.G. in a d.o. addressed to the P.S. has said that three M.B. Officers are about to be posted to Madras. In the circumstances it seems unnecessary to keep Dr. Myler.

Others are returning from furlough. MA

I agree.
