Note on the orders under which the various Translators are expected to furnish the Govt. with abstracts from the Native Newspapers published in the Madras Presidency.

Ptd on page 1 of G.O. 1259 Pub. 12.12.66. II

In its letter No.1550, dated 11th October 1866 the Govt. of India forwarded to this Govt. for perusal some specimen copies of reports periodically submitted to the Govt. of India by two officers employed for the purpose of scrutinizing the Native Press in Bengal and Upper India, respectively. India at the same time suggested that this Govt. establish~~ed~~ some similar arrangement for reviewing the Native Press of the Madras Presidency. The specimens were printed and copies furnished to each of the Translators to Govt. who were instructed to "read regularly" the Vernacular Newspapers and "bring to notice from time to time" any passages appearing to deserve the attention of Govt. India was informed, in reply to its letter, of the issue of these orders ~~with~~ which this Govt. considered to be "sufficient".

G.O.1259/60 Pub., d/12-12-66 II

These orders were, however, slightly modified by G.O. No. 960 Pub. d/21-9-[illegible]

2. In its letter No.4530 dated 3rd October 1871, the Govt. of India observed that the orders referred to in the foregoing para had not, apparently, led to any practical result as, while ~~the~~ that Govt. was kept well informed as to the sentiments of the Native Press of other parts of India, nothing

Ptd in G.O. 61 Pub 13.1.72 I

was known regarding the Press of the Madras Presidency. India, therefore, requested that its suggestions of 1866 might be fully carried out and that copies of every notable extract furnished to this Govt. by translators might be forwarded to the Govt. of India. The various Translators to Govt. were thereupon instructed to report how they had been carrying out the orders received in 1866. Their replies are printed in G.O.No.61 Pub., d/13-1-72 in which Govt. criticised the imperfect way in which the Translators had carried out existing orders and instructed them to ascertain, in communication with Collectors of Districts, what vernacular publications connected with their respective languages were in existence; to take in a copy of each for the use of their respective offices and to furnish Government "weekly, fortnightly or monthly according to the periods at which the papers are issued" with extracts therefrom. The Translators were, at the same time, told not to confine their attention to such articles as might, from their objectionable tendency, require special notice by Govt. but to furnish extracts showing the "general sentiments" of the papers. A copy of these proceedings was forwarded to the Govt. of India with the statement that should there be anything notable

I

(These orders were, however, slightly modified, later by G.O. No 950 Pub d/21-8-76.) XXIV

Letter No.62 Pub., d/13-1-72. I

in the extracts which might be furnished by the Translators such extracts would, as requested, be forwarded to the Govt. of India.

3. On receipt of the first lot of extracts furnished, accordingly, by the Translators Govt. ordered them to be printed and copies furnished to the Home Department and to the Under Secretary of State, India Office, the same procedure to be followed periodically as the abstracts were received from the Translators.

G.O.244 Pub., d/23-2-72 XXV

4. In 1876 the Secretary of State requested that the estimated circulation of each paper might be inserted after its name in the margin of the reports furnished to him.

The Translators were instructed to ascertain from the Commissioner of Police and the Collectors of Districts the estimated circulation of each Vernacular Newspaper and to report to Govt. No report on this subject from the Translators can be traced or any reply to the Secretary of State's despatch.

G.O. No 1288 Pub d/20-11-76. XXIII

5. In 1877, however, the Home Dept. asked for a list of Vernacular papers published in this Presidency with a specimen copy of each and a statement showing the general character, amount of subscription and the extent of circulation of each.

In G.O.No.1482 Pub., d/6-11-77. XXII

These

These were supplied by the respective Translators to Govt.and forwarded,with the required information, to the Govt.of India.

G.O.No.406/7 Pub.,d/8-3-78 XXI

6. In G.O.No.932 Pub.,d/13-6-79 the Translators were ordered to prefix to their periodical (monthly) reports a list of Newspapers published - The list was to be in the following form:-

XX

1.Serial numbers.
2.Names of Newspapers.
3.Place of publication
4.Editions
5.Number of copies issued.

7. In G.O.No.75 Pub.,d/13-1-83 an index to the subjects dealt with in the monthly report was,at the request of the Govt.of India,prescribed.

XIX

8. In G.O.No.2361 Pub.,d/5-10-85, the Translators were instructed, on the suggestion of the *Commissioner of City Police,to include in their reports the matter published in the English language in the Vernacular Newspapers as well as ~~those~~ that published in the Vernacular language.

XVIII

*The Commr's D/O on the subject is filed in the GO quoted.

9. In its letter No.1067,d/16-5-87 the Govt.of India enquired as to the terms on which Vernacular Newspapers and journals were supplied to the Translators to Govt.

G.O.784 Pub.,d/7-6-87 M

A statement supplying the information required was forwarded to the Govt.of India ~~by~~ as an appendix to letter No.1066 Pub., d/28-7-87.

10. In reply to that letter the Govt.of India pointed out that there appeared

appeared to be no security that every vernacular Newspaper came under the notice of the Translators to Govt.and suggested,therefore,with reference to sections 5 & 6 of Act *XXV of 1867,that the District Magistrates in the Madras Presidency be required to submit periodical returns of all declarations made before them by publishers under the provisions of that Act. Half yearly reports by District Magistrates were,accordingly, prescribed and it was ordered that copies of all such returns be forwarded to the Translators to Govt. the latter making their own arrangements for procuring copies of such new periodicals as might come to notice through the reports.

*Act for Regulating Printing Presses & Newspapers.

G.O.No.1518 Pub.,d/14-11-87 C
in which Indrao's letter is printed in full.

11. In G.O.1554 Pub.,d/17-11-87, the reports by Translators were ordered to be submitted fortnightly instead of monthly as theretofore and detailed instructions as to the preparation of the index thereto were conveyed to the Translators.

XVII

12. In GO 1694 Pub d/30.12.87 the Translators were instructed to include in their returns Magazines & periodicals which confine themselves to discussing literary scientific & religious questions & do not touch on politics. The Commr of Police & D Ms were, at the same time, instructed to aid the Translators in getting the necessary information as to the character, position & circulation of periodicals.* These instructions were amplified in GO 248 Pub d/12-3-89.

XVI XV

13. In GO 972 Pub d/9-10-88 the Translators were instructed, on the suggestion of the Govt of India, to include in their reports the more important Vernacular newspapers published in the Native States of Hyderabad & Mysore & the Resdt. in [illegible] was instructed to arrange for the supply to the Translators of Vernacular papers published within the territories of those States.

XIV

*by sending the latter ~~[illegible]~~ annual lists of ~~such~~ papers ~~not~~ published within their respective jurisdictions together with information on the points enumerated.

14 In GO 289 Pub d/28.3.89 the DMs & Commr of Police were instructed to forward their annual returns ~~*~~ to the Translators to Govt by Feby 1st each year & the latter to submit them to Govt by Mch 1st each year together with their own general returns for the year.

15. In GO No 39 Pub d/22.1.90 it was with a view to greater punctuality ordered that Translators send their fortnightly reports on Native newspapers direct to the Supt Govt Press who wd examine proofs, give a serial number & distribute copies in accordance with a list prescribed in the GO.

C

16. In submitting under GO 1518 Pub d/14-11-87, his second half-yearly statement of declarations for 1890 the District Magistrate,North Arcot raised the question of the form in which the prescribed statements were to be submitted. Government accordingly prescribed a form to be supplied from the Govt.Press. A copy thereof forms an Appendix to G.O.No.147 Pub.,d/24-2-91

XI

17. In consolidating,in 1895,the list

6

list of periodical returns to be submitted in the various departments of the Secretariat, Govt. prescribed the 1st February & 1st August, respectively, as the due dates for submission of these half-yearly statements by District Magistrates.

18. They have since been so submitted and on receipt are communicated to the respective Translators concerned who are supposed to include ~~any new papers~~ them in the list which precedes their fortnightly report and subscribe for copies of the same in order to enable them to report to Govt. on the contents. A copy of the last report on Native Newspapers is put up for reference (in Confdl. cover). It may be pointed out, in reference to the Under Secretary's query on this subject, that there is no guarantee at present, beyond the good faith of the Translators, that new Vernacular Newspapers are duly subscribed for by them and reported on in their fortnightly reports. This could be assured however, if thought necessary, by communicating to the Special Branch, in which the reports are dealt with, copies of the orders on the half yearly returns of District Magistrates and requesting that the matter may receive attention from time to time in that Branch.

NOTE FOR THE C.S.

With refᶜ to the returns submitted by D.M.'s showing the new newspapers in regard to which declarations have been made during the last half year, a new point has arisen in the file below. The return from Ganjam shows that a paper has been started in Uriya. This should be included in the papers read by the Translators – but there is no Uriya Translator to Govt.

Orders are requested whether Mr Taylor may be asked d.o. whether he can make any suggestion as to how this paper can be watched, & any notable articles brought to notice for inclusion in the fortnightly abstract.
