The instructions con-
tained in your do. of the
31st ultimo about the
arrangements to be made
on Castle Stuart Stuart's
return presume that
Bryant will take three
months' privilege leave,
whereas Bryant wants
only 3 weeks' privilege
leave and it has already
been granted.

My dear Stokes,
You will see from the enclosed that Bryant has disarranged our plans by withdrawing his application for three months leave. I asked him a second time in order to make sure, & the result is as the telegram attached. So, His Excellency wants you to cancel his previous proposal to give Bryant three months leave & to send Cotton (turned out by J.A. Cumming) to act for him. Instead of this, His Excellency proposes to send Cotton to act as Asst. Asst. of Dellore, turning out Johnson, who would revert as Asst. Dellore.

Yours truly,
H. A. Lunn

Dear Mr. Sir,

As I have

practically got over the

sunstroke which I got

in Kistia District, I

shall not require the

3 months leave for

which I applied.

I very much regret

that I have troubled
you in the matter.

I went to see
Roberts this morning. He
seems to be seriously ill
& it is not improbable
but that he will have
to go on leave. If
the Colonial Assistant
Assistantship falls vacant,
I hope that my name
may be considered in

filling up the vacancy.
Being on the spot, I
could join sooner than
anyone else; & in the
second place, - it would
be unnecessary for
Government to pay ^{any} ~~any~~ _{13/}
travelling expenses.

Believe me

Yours sincerely,

W. J. G. -

H. E. THE GOVERNOR (through the
Private Secretary) and Circ

THE PRESIDENT proposes the following appointment:—

Mr. Andrew Edmund Castlestuart
Stuart to act as Collector, Magistrate and
Government Agent, Godavari.

Mr. John Arthur Cumming to act as
Sub Collector and Joint Magistrate, Kistna.

Mr. Julian James Cotton to act as
Head Assistant to the Collector and
Magistrate of the district, Nellore.

N. B. W. E. C. Stuart is
returning from home, and must be
told. I understand that the Hon.
Mr. Winterbottom does not
advocate Mr. Stuart's being sent
to Malabar, at present.
The Hon. Mr. Brooke, Collector of
Gowern is offering for an entire
year his home.

I am ~~very~~ bringing to H. Es.
notice, the fact of which I have been
reminded, that Mr. Ell - manager of
Messrs Baring & Co.'s great distillery ^{works} is
now in the Godavari St. - at Samulcottah
I think. There was feud of the most
acute character between Messrs Stuart

and Gill in South Arcot with respect to Messrs Parry & Co's distillery, and it would inevitably be renewed in Godavari. This wd be unpleasant for both Mr. Stuart & Mr. Gill, and would certainly prevent the peaceable development of Messrs Parry's distillery & sugar factory, and drag that firm too into the fray. It is very unfortunate for otherwise Mr. Stuart wd be an excellent colr for Godavari. Probably H.E. is unaware of Mr. Gill's employment in Godavari.

I did not know that Mr. Gill was re-employed by Messrs Parry & Co. It is unfortunate; but this will not be in the same station & I should hardly think they need renew hostilities - H.E. -

Dear Mr. Win,
It is with
considerable reluctance that
I have been compelled to
apply for privilege leave
for three months instead of
for three weeks. I have
received a sunstroke &
am unable to concentrate
my thoughts to the various
affairs as before. I therefore
think it advisable, both

in my own interests, & in
those of Government, to
have three months complete
change of air in a colder
climate. I enclose a
letter from the Assistant
Surgeon here. From this,
it will be seen that he
also advises three months
complete change.

I would think it a
great favor if you telegraphed
to me your opinion as to
whether there is any

objection to my leave being
granted. As I intend to
go home, I should like to
have as long notice as
possible so as to be
able to make the
necessary arrangements.

Believe me

Yours sincerely

W. J. Bryan.

I would advise you
three months' change
to a cooler climate.

Yours sincerely

Dear Mr. Bryant,

The symptoms
of your case point to
congestion of brain, in-
duced by exposure
to sun. The ringing
in the ears, which
gets aggravated when
you concentrate your
mind on any subject
indicates that you
ought to take complete
rest.

His Excellency

he should go as Collector

turning out Cotton, who
would go as Head Post

Bryant, who, as you will
see from the enclosed, pro-
poses to ask for three
months leave.
