Sm
No 4/31 P

Simla, the 19th October 1899.

Dear Sir,

Will you kindly refer to the correspondence ending with the communication from the Government of Madras No 617/D dated 2nd May 1898, regarding the employment of Mr. W. A. Michael I.C.S., under the Financial Department of the Government of India. Mr Michael will cease to officiate as an Accountant General next month, and his services will then be replaced at the disposal of the Local Government. It is understood that he intends to proceed on furlough after making over charge. He at present holds a substantive

substantive appointment of the Enrolled list which was given to him as a temporary measure for such time as he should officiate as Accountant General. As there has been some delay in giving the Government of Madras notice of his reversion to the [illegible] line, as they may not at such short notice be able to provide him with a substantive appointment suitable to his standing, the Government of India are prepared to allow him to retain his substantive appointment in the Enrolled List till March next, before which time it is hoped the Government of Madras will be able to provide him with a suitable substantive appointment, in accordance with paragraph 22 of Resolution in

My dear Sim,

Your D.O. of the first regarding the appointments of Michael, Elphinstone and Vaughan.

~~You will observe that~~ Michael has not to be found a permanent appointment in the regular line before March next, and although I can see no retirements in prospect which will afford a vacancy, there does not seem to be any necessity to take immediate action in regard to his permanent post. Owing to Farrer's death, there is a possibility of A.T. Forbes being confirmed in the Postal Dept and thus vacating a Sub-Collectorate and I would suggest that in replying to the D.O. regarding Michael, India may be informed that if Forbes is confirmed, Michael can be found a suitable post immediately.

As regards Elphinstone and Vaughan, there seems to be nothing for it but to turn out the two junior Sub-Collectors and the two junior Head Assistants. The latter are L.G. My dear Stokes,

Before putting the enclosed before His Excellency I want your advice on certain points: Looking at the list I see that not only is Michael entitled to a Sub-Collectorate, but that Elphinstone & Vaughan are entitled to one also. What do you recommend that we should do?

I see that Davidson is the lowest Sub-Collr; but we might perhaps leave him alone as his Sub-Collectorate is earmarked for Carr who is Senior to both Michael, Elphinstone, & Vaughan.

The next men above Davidson are Forbes, Cumming & Buckley. Do you think that we should make them revert to

Sturrock's retirement leaves a Collectorate vacant; but that goes to Cardew, & so, will go no lower down the list: & so far as one can see, there will be no permanent vacancies for a considerable time.

Please let me have your advice before I put the ~~paper~~ before His Excellency.

article 242 of the C.S.R. will not admit of his being given, while on furlough, a permanent appointment on lower pay than that which he held when he proceeded on furlough. His reversion will make no difference in his furlough pay.

H.E. has directed in the linked file that the arrangement under which Davidson and Carr are to change appointments is to lie over until Davidson returns from leave. I would point out that the only officers affected in this arrangement will be Davidson and Carr and the latter has already reaped advantage from a similar arrangement being carried out when he was ~~Ex.~~ Secy. to the Board. NOTE FOR THE CHIEF SECRETARY.

With reference to the D.O. to the P.S.G. dated the 4th instant and H.E. the Governor's orders thereon, it is submitted that there is no need, as was thought at first, to make any junior Head Assistants revert to Assistantships, in consequence of the necessity for providing Messrs Elphinstone and Vaughan with permanent sub Collectorates, as the permanent Head Assistantships held by these officers are available for Messrs. Buckley and Cumming who will be ousted by them. The reversion of a Head Assistant will [illegible] take place if Mr. Michael is to revert to a permanent post in this Presidency and Mr. Forbes is not confirmed in the Postal Department.

A.S.K. 11.11.99

The following drafts are submitted:-

C (2) Minute of appointment of Messrs. Elphinstone and Buckley.

E (3) D.O. to the Govt. of India re Michael.

in the linked file F (4) Telegram to do on the same subject.

The Minutes have been drawn up on the assumption that Mr. A.T. Forbes, who is the junior Sub Collector (excluding Mr. Davidson) is not to be reverted now.

If

If he is confirmed in the Postal Dept. Mr. Michael can get his Sub Collectorate at once. If he is not confirmed now he will, it is understood, be reverted when Mr. Michael has to be found a permanent post in Madras. If Mr. Forbes is reverted now for either Mr. Elphinstone or Mr. Vaughan, Mr. Buckley will not be reverted and he (Mr. Buckley) cannot be reverted next March for Mr. Michael as he (Mr. Buckley) will then be on furlough - article 242 of the Civil Service Regulations.

A minute of appointment of Mr. Vaughan to act as Sub Collector, North Arcot is in circulation. In the minute now submitted the opportunity has been taken to post Mr. Vaughan permanently to North Arcot, Mr. Davidson being shifted on paper to Coimbatore. This arrangement will, it is submitted, save a double appointment of the same officer to a post of the same class in the same Gazette.
