NOVEMBER.

Police Hospital at Rajahmundry.

Approving the proposal of the Inspector-General of Police for the construction of a —, and requesting the Public Works Department to prepare the necessary plans and estimates in consultation with the Surgeon-General and the Inspector-General of Police.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From W. J. A. SULLIVAN, Esq., Acting Inspector-General of Police, to the Chief Secretary to Government (through the Surgeon-General with the Government of Madras), dated Madras, 14th October 1899, No. 4226.

I have the honour to bring to the notice of Government the necessity for the construction of a police hospital at Rajahmundry in the Gódvári district.

2. The Government building wherein the police hospital has been hitherto located and the police barracks have been taken up for the construction of the Gódvári railway bridge, and compensation (Rs. 9,263-14-0) has been received. The hospital is now located in a private building on a monthly rental of Rs. 25, sanctioned in G.O., No. 24, Public, dated 6th January 1898. This building is unsuitable, as it contains accommodation for only 14 beds. The Surgeon-General considers that accommodation for 24 patients (12 surgical and 12 medical) is necessary, the maximum number of patients treated on any one day being 21. In the old hospital there was accommodation for 30 beds.

3. A good site, which is Government land, is available near the police lines. I request that the Government may be pleased to sanction the construction of a hospital at Rajahmundry, and direct that the necessary plan may be prepared in the Public Works Department in consultation with the Surgeon-General and the Inspector-General of Police.

G.O., No. 488, Public, dated 2nd May 1899, and the previous orders on the subject of the plan will be attended to.

Endt. No. 308.

Forwarded and recommended.

24th October 1899.

(Signed) D. SINCLAIR, Surgeon-General,
Surgeon-General with the Government of Madras.

ORDER—No. 1281, Public, dated 14th November 1899.

The Inspector-General's proposal, contained in paragraph 3 of his letter, is approved.

2. The Public Works Department will be requested to prepare the necessary plans and estimates in consultation with the Surgeon-General and the Inspector-General of Police.

The D. G. of Police requests the sanction of Govt. for the construction of a police hospital at Rajahmundry in the Godavari district as the private building in which the hospital is now located at a monthly rental of Rs 25 sanctioned in G.O. No. 24 Publi of 6-1-28 is found to be insufficient. The Govt. building wherein the hospital was previously located has been taken up for the construction of the Godavari Railway bridge and compensation paid for the same.
