Nos. 1800, 1801, PUBLIC, 21st NOVEMBER 1899.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

Read—the following paper:—

From H. LUSON, Esq., Deputy Secretary to the Government of India, Home Department (Public), to the Chief Secretary to the Government of Madras, dated Simla, 7th October 1899, No. 2283.

The attention of the Government of India has been drawn to the fact that the list prefixed to the fortnightly report on Native Newspapers giving the names of the papers, the place of their publication, &c., is the cause of unnecessary expenditure, inasmuch as the matter contained in the list involves in the year a good deal of printing and paper.

2. The list would appear to serve two main purposes. It shows what papers are in existence and what papers have been examined by the Government. The Government of India are of opinion that the first of these purposes could be equally well served by a quarterly list, and the second could be provided for by the submission to the officer in charge of the Special Branch, or other officer entrusted with the supervision of the work of the translator, of a weekly list in manuscript not to be printed but for purposes of check.

3. I am accordingly to request that, if His Excellency in Council sees no objection, the list in question may be discontinued, and that it may be replaced by a quarterly list, to be attached to the first report on Native papers submitted in each quarter.

ORDER—No. 1300, Public, dated 21st November 1899.

Communicated to the Translators to Government and to the Assistant with Government, for information and guidance.

2. The change will take effect from 1st January 1900.
