READ—the following papers:—

From G. S. T. HARRIS, Esq., Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepauk, 1st June 1899, No. 709.

I have the honour to submit, for the approval and sanction of Government, plans and estimates, the latter, amounting to Rs. 13,500, for constructing a residence for the District Medical officer at Madura.

This completes the residences to be constructed for European officials at Madura, with the exception of the residence for the Collector, referred to in G.O., No. 373 W., dated 6th February 1899.

From G. S. T. HARRIS, Esq., Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepauk, 11th August 1899, No. 1663.

With reference to your office-note No. 2901 C., dated the 26th June 1899, I have the honour to submit a plan and estimate for the District Medical officer's residence at Madura.

The estimate has now been reduced from Rs. 13,500 to Rs. 12,500.

ORDER—No. 2947 W., dated 7th November 1899.

The estimate, amounting to Rs. 12,500, for the construction of a residence for the District Medical and Sanitary officer at Madura, submitted by the Consulting Architect with his second letter read above, is approved. As the normal rent calculated under Code rules exceeds 8 per cent. of the average monthly pay of the officers that may be employed at that station, the sanction of the Government of India will be applied for to the proposed expenditure.
