IV. Read the following remarks made by the Treasury Deputy Collector & Official Visitors of this Asylum, in the Official Visitors Book dated 30th August 1899: "The meeting had to be postponed there being no quorum. I think the number of Official Visitors should be increased and suggest that the Magistrate Deputy Collector & the Port Officer be appointed as visitors."

Read also the remarks by the Superintendent thereon: "It would be a good thing if this suggestion were carried out as these Officers do not tour in the district and the want of a quorum was due to the simultaneous absence of nearly all the visitors in the District."

V. Read the following remarks made by the Inspector General of Prisons in the Official Visitors book dated 6th September 99: "Visited the Asylum. Saw all the inmates, inspected cooked food which was found to be wholesome and of proper weight

weight. The general health of the Asylum is decidedly good as shown by the weightment statement and sick returns. No death during the year. There appears to have been considerable delay in carrying out sanctioned repairs to blocks etc, & much inconvenience has been caused by the absence of single cells in the Female enclosure. At present the new latrine is used as a separate Confinement room. The new Kitchen has not yet ^{been} brought into use and owing to the want of funds the necessary alterations will not be taken in hand till next year. The premises generally are clean & tidy. The management of the Asylum reflects credit on the Officers in charge."

Read also the remarks thereon by the Superintendent: "I have repeatedly applied to the Public Works Officers by letter and by word of mouth but always receive the same answer viz: that they are doing things as fast as they can. that no money for the new Kitchen will be available until next year and that if the new female cells are urgently required so are some 30 other works

From

To
The Secretary to Surgeon-General

Madras

Sir,

With reference to your No. 5655
dated 27th Sept 1899 which is herewith
returned, I have the honor to inform
you that already twice this year
there has been an absence of
quorum at the Asylum monthly
Official Visitors Meeting.

2. I do not see how this can
be avoided as long as the list
of Official Visitors contains the
names of Officers who in the
course of their duties have to

tour about the District which is a very large one including as it does the Mysore Agency.

3. In addition to their absence on tour, the District Judge and District Munsiff are absent from duty on vacation for more than 2 months of each year.

4. I therefore beg to support the suggestions made in the Official Visitors book by Mr. R. Saria Row that 2 Visitors (Port Officer & Deputy Magistrate) be appointed, the former never leaves the station & the latter only when the District Magistrate is at Head Quarters.

5. Below is a list of attendance of the Official Visitors for 1899:-

	Number of attendances
1. District Magistrate—	4. (and is now in Camp until Jan 1900)
2. Distt Judge—	2. (more than 2 months vacation)
3. Distt Surgeon—	8.
4. Distt Supt of Police—	3. (will probably be absent the great part of next 3 months)
5. Distt Munsiff—	5. (more than 2 months vacation)
6. Dy. Dy. Collector—	8.

I have the honor to be
Sir
Yours most obedt servant
