From

The Hon. Mr. H. Le Fanu, I.C.S.,

To

The Under Secretary of State for India,
India Office.

Sir,

I have the honour to request for reasons given overleaf the favour of your obtaining, from the Secretary of State for India in Council, permission for me to return by the "Arabia" leaving Marseilles on the 20th October, to my duty on the Indian Establishment.

A certificate as to my fitness to return to India is enclosed, signed by two resident medical men of Teplitz, where I have been under treatment.

I have, &c.,

(Sd) H. Le Fanu, I.C.S.,

My Leave expires on the 31st of October, and the "Arabia" by which I wish to return, is timed to reach Bombay on the 3rd of November, I am, therefore, in fact asking for an

extension

extension by about three days. I could not manage to obtain a passage
by an earlier steamer, and the berth which I secured in the
"Arabia" was the last berth available in that steamer.

INDIA OFFICE,

25th August 1899.

Sir,

I am directed to acknowledge the receipt of your letter
of the 23rd instant, and to acquaint you that you have been
granted additional leave for three days and you have
permission to return to India within the period of your
leave. Under the terms of your leave and pay certificate
your furlough cannot be extended otherwise than on medical
certificate and the additional leave now granted to you
will, therefore, be extraordinary leave without pay.

Before your departure you should procure a last Pay
Certificate from the Accountant General at this Office.

To The Under Secretary of State for India.

From H. Le Fanu, I.C.S.

Sir,

On or about the 23rd August I applied for permission to return to India by the Steamer Arabia.

Instead of this I was granted an extension of 3 days extraordinary leave - i.e. leave without pay.

The Accountant General's Last Pay Certificate was in error in so far as it omitted to state that I was entitled to furlough. When I took 4 mos. sick leave I was in fact entitled to two years, one month and 17 days ordinary furlough, and also to 6 mos. leave on Urgent Private Affairs.

It is anomalous that I should be granted leave without pay when I have still more than one year and nine mos. furlough to my credit, and I purposely asked for leave to return by the steamer "Arabia" and not specifically for 3 days extension of leave as the steamer may be late as the P. & O. are starting too late from Marseilles. I have already explained that the application is due to no fault of mine but to the fact that no passage was obtainable in the

previous

(6)
previous steamer. I am certain that the Government of Madras would make

no objections, and I have the honour to request that the Secretary of State will be good enough to convert my sick leave into ordinary furlough and grant me an extension of leave ordinary furlough for four days subject to the condition that the Madras Government will make no objection.

I have, &c.,

Sir,

I am directed to acknowledge the receipt of your Letter of the 26th Instant, and to acquaint you that it is not the practice to grant officers permission to return to India by particular vessels. In the circumstances represented by you, your leave has been extended for four instead of three days, and it will rest with the authorities in Madras, to whom a copy of this correspondence will be sent, to decide as to the terms on which the additional leave is granted.

To

The Chief Secretary to Government,
Public Department.

Sir,

The Secretary of State informed me that he had referred the question of granting me 3 days leave with allowances --
to the Madras Government for disposal.

2. Mr. Hogg informed me in the India Office that the reason why they granted me leave without pay was that the Accountant-General had not stated that I was entitled to any other kind of leave; whereas, as I have stated in my application to the India Office, I have furlough to my credit, not to speak of leave on private affairs. As Government will learn from the correspondence the necessity for asking for 3 days extension of leave was not of my making, and that I should get this leave without pay, when I have a considerable amount of furlough due to me, is not reasonable.

3. I have reason to believe that the question referred by the Secretary of State is before Government. I make a reference on the matter because, under section 366 (iii) of section V of the Civil Service Regulations, the Accountant-General is of opinion -- that I have forfeited my appointment by taking this leave. If this is so, it is, as Mr. Hogg informed me, because the Accountant-General omitted to state that I had other leave to my credit. Had he done so the India Office would have granted me the extension "on furlough", for section 366 says that "Extraordinary leave" is only to be granted "when no other kind of leave is by rule admissible", -- which is not the case.

4. I have the honour therefore to request that the --

Government will be pleased to grant me an extension of 3 days leave on furlough on half pay. I presume that Government had not noticed the effect of section 366 when they passed G.O.R.No.1293, dated 3rd November 1899.
