Copy of letter No. - dated the 20th October 1899, from
Lieutenant P. Adams, Personal Assistant to the Resident, Hyderabad,
to the First Assistant Resident, Hyderabad.

With reference to your letter No. 5834 dated Hyderabad
Residency 18th October 1899, I have the honour to explain
that I sent the telegram to Nurse Tyson when I was laid up
with enteric fever, as I had known her when she was nursing
another case in Hyderabad in December 1898. I was at the time
staying with Lieutenant Colonel E. Lawrie, M.B., I.M.S., and
when he told me that I had got enteric fever and as Miss
Tyson was the only nurse I knew in India, I told him that I
should wire for her. I did not know that Miss Tyson was a
servant of the Madras Government, if I had known I should
have asked for leave to engage her. I acted in ignorance but
in good faith and if any inconvenience has been caused by my
action, I am sorry for it.

to be. The Govt. of India ~~expressed~~
seems to be satisfied with Lt. ~~Col~~
Adams'
~~the very~~ explanation & no further
action, therefore, seems to be
necessary. Lt Col Browne's com-
plaint was directed against D-
Laurie who was the actual de-
patcher of the telegram but it
appears he only acted for a
man who was unable to write
at his request.

The explanation of Capt. Adams
seems right, but Lt. Laurie
threw his telegram apparently
know that his nurse was serving
under this Capt. for he
addressed the telegram to the
General Hospital.

Mr.

This does not follow for there
are private nurses sent at
country for them.
