..... 21

For order

The P. W. Dept. forwards
for approval, type designs
for Police Hospital wards,
one for a ward to contain
10 beds, & another for a ward
to contain 8 beds.

2. The estimate for the larger work, as prepared by the Comy. Architect, amounts to Rs. 5485. This has been altered, in pencil, in the Chief Engr's office to Rs. 5545. Next for the smaller work amounts to Rs. 5167 according to the Comy. Architect's figures, & has been altered to Rs. 5040 by the Chief Engr.

3. It is stated that the plans & estimates have been revised in accordance with the Comy. Architects suggestions which were approved of in the Public Dept. by endorsement No 2159 dated 7.10.98.

+ Please see sheet filed M & N in the P. W. file below, which has been obtained for reference.

4. The original plans for Police Hospital Wards were prepared by the Sanitary Engineer. In his letter No 421 dated 4.2.97, the Insp. Genl of Police asked that these plans might be adopted as standards for Police Hospital buildings, & that the P. W. Dept. might be directed to prepare estimates for all Police Hospital Wards on the lines of the designs. The Gov. however considered that the plans were far too elaborate & costly, & in G.O. No 534 A, Public, dated 8.5.97, cheaper designs were called for. Rough estimates prepared on these plans for Police Hospital Wards at Amalapuram & Wandypal amounted to Rs. 7200 for 10 beds & Rs. 6500 for 8 beds respectively.

5. On the 27th January 1898, the Insp. Genl of Police, in his letter No 258, submitted a fresh plan & estimate for a Police Hospital ward to contain 8 beds, at a cost of Rs. 2975. This plan & estimate had also been prepared by the Sanitary Engr. & had been approved by the Surgeon Genl. It provided for partitions of bamboo matting in tick frames, & for doors & windows also of bamboo matting in tick frames. In G.O. No 108, Public, dated 27.5.98, this plan & estimate was approved for adoption as the standard for buildings of the kind, & instructions were issued for the construction of Police Wards at Amalapuram & Wandypal on the same plan.

6. With an endorsement No 9630, dated 19.9.98,

Not in file
It was sent from Govt
by telegram dated 19.9.98
at P.W. file
No 3097/98

3 The P. W. Dept. returned the
papers, ^{accompanied by} with a note by the
2 Comg. Architect suggesting
1 that the cubical space per
4 bed should be increased
from 947.25 c.ft. to 1200 c.ft.,
that the entrance to the
attendants' room & bath
room should be slightly
altered without additional
cost. The estimate of \$2,975 was also returned,
in this, a few pencil
corrections made in the Chief
Engg's office, showed that
the cost had been reduced
by \$10, or to \$2,965. These
corrections did not however
diminish the proposed increase
of cubical space per bed,
the cost of which was not
noted, but which could
not have been very great.
The suggestions were approved
in order by 2158 Public
of 7.10.98, & the papers were
returned to the P. W. Dept.
7. It will be seen that

Not in file

This estimate was
98
C 90 3097/98

M & N in P.W. file

while approving the suggestion
made by the Comg. Architect,
the Public Dept. understood
them to refer to the max
works costing approximately
for 8 beds, \$2,975, & the estimate
for which was approved
in S.P. No 708 Public of 27.5.98,
for general adoption -
The type plans & estimates
now forwarded by the
P. W. D. are however for
quack buildings, with
walls of brick in mortar,
with interior plastering
of cement 6 feet above
floor level, tinted lime
plaster above, & lime
plastering or pointing within
all doors & windows & all
roof timbers are to be
of Burma Teak, & all
doors & windows & timbers
exposed to weather are
to be painted. The
estimate for an 8 bed
ward thus amounts to
Rs 5040 & that for a 10 bed

NOTE FOR THE CHIEF SECRETARY.

The plan was forwarded
with the view of Public,
the estimate (Rs 2030)
is somewhat less than
that contemplated in
G.O. 708 Pub. d 27/5/99.
The plan may therefore be
approved.

Draft Order subm^d for approval.

12/12/99

CHIEF SECRETARY
-7 DEC 1899
GOVERNMENT OF M.P.

No. 4967 C of 6 December 1899

To
The Public Dept. no.

There has been some mis-
understanding as to what
was required.

The plan with estimate
to be circulated as a type
design with reference to G.O.
No. 708 Public dated 27th
May 1899 is forwarded for
approval.

12/12/99

8. The plan submitted
as now proposed has
not been countermanded
in terms of approval by
the Surgeon Genl & the J.G.
of Police, but before
referring them to those
officers, it is for con-
sideration whether they
can be accepted in the
Public Dept.

Cy
20.9.99

Cd.

That this Dept. expected
was that the plans approved
in G.O. 708 d. 27/5/99
used to replace the
standard plans. The
P.W.D. has apparently
not understood this -
Submitted with the above
which may be set (no) to
his Dept. for remarks.

Mr.

26.9.99 Dr. W. no. for remarks.

Type Design for Police Hospital Wards.
