Dated Camp Berhampur 23rd November/99

Sir,

With reference to your
letter No 1536 of 99 dated 20th
Instant, I have the honor to state
that I have no objection to your
applying for 3 months Privilege leave
from next month.

2. I think however that it is
desirable that, if possible, some
other officer should be sent to
relieve you, as I do not think
that the Medical officer B. P. M. J.,
especially if new to the place could
efficiently discharge both his
own duties and those of District
Medical and Sanitary Officer.

3. I do not however desire
to throw any obstacle in the
way of your leave and note
that the Bdayagin and
Ballejuda dispensaries in the
agency

will be duly inspected before you avail yourself of it.

Sir,

I have the honor to forward this my applica-
-tion for three months privilege leave allowed
to those engaged in the late Tirah Expedition. The
Concession expires on the 31st instant and I beg
that I may be allowed to avail myself of the
same from the 28th December or date of relief.

2. As a result of a former inquiry (my
letter to you C.N. 1225 dated 25.8.99) I was in-
-formed (in your no. 5168 of 2.9.99) that ordin-
-ary privilege leave was not open except on
Medical Certificate, and if the disability still
continues, I respectfully request that you will
be good enough to forward my application
to His Excellency the Governor as a special case
for favorable consideration.

3. A Senior Commissioned officer of the

Submitted for the orders of Government.

2. The attention of Captain Mitter having been drawn to Financial Department Notification No. 3 published on page 308 of the Fort Saint George Gazette of 19th April 1898 part I, he now requires Tirah leave only viz, one month-
vide copy of telegram attached.

3. It will be seen from para 2 of the Government of India letter embodied in the Notification quoted above that the leave must be taken before the 31st instant.

4. With reference to para 2 of the Collector's letter attached to the application, I regret I have no Medical Officer available at present to be deputed to act nor does one appear necessary under the altered circumstance of the leave. The Regimental Medical Officer can do the work in addition to his own for a month.

it difficult at times to get through the day's
work to my satisfaction. I am not however
sufficiently ill to be incapacitated for duty

The application of Capt R.
K Mitter, DMS, for the
special ^{privilege} leave of one month
granted to officers who served
with the N.W. Frontier Exped:
is subm^d for orders.

2. This leave must be granted
before the 31st inst or it will
lapse altogether. D^r Mitter
wants it from 28th inst or
date of relief.

3. The G^o has no difficulty
about arranging for the brief
period of absence, but the

It appears, however, from
the Sd's letter flagged in
Go No 1057 Pub d/7.8.97 that
Capt Mitter was actually ordered
to proceed to Rawalpindi & if
he had not done so & thus become
eligible for the special leave,
concession the Sd ^{would} know
it & would not support the
application.

Orders are requested on the application.

it will be seen that the
decision as to whether "Turk
Leave" has been earned
rests with the Govt. Capt
Mitter's name does not appear
in the record of war service
of officers in the Army list,
but an inspection of that
record shows that the Turk
Capt Mitter has not as yet
been added, at any rate
in the case of some officers
who are known to have served on this expedition.

yes - but
let him
know the
doubt & what
the leave may
have to be
converted to
ordy. priv. leave.

Orders are requested
whether the leave may
be granted. If a question
as to Capt Mitter's eligibility
should afterwards arise,
& it should be found
that he has not earned
'Turk' leave, Govt. can
decide that the leave
should be reckoned
as ordinary privilege
leave.
