"Routes in the Madras Presidency" (Edition 1879).

Passing orders on letter from the Deputy Adjutant-General requesting the sanction of this Government to the work of reprinting with corrections the book entitled — being undertaken at the Government Press, Madras.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From the Deputy Adjutant-General, Madras Command, to the Chief Secretary to Government, dated Ootacamund, 11th January 1899, No. B—I. 630.

Referring to Proceedings, Madras Government* (Military Department), No. 532, dated 1st February 1877, I am desired

* *Vide* also Proceedings, Madras Government (Military Department), Nos. 2007 and 5706, dated 4th April and 12th October 1877.

to inform you that it is proposed to reprint *with corrections* the book entitled "Routes in the Madras Presidency" (Edition 1879) and to request that the sanction of the Madras Government may be obtained to the work being undertaken at the Government Press, Madras.

2. I am also to enclose for information a copy of my letter, No. B—I. 19490, dated 6th ultimo, to the Superintendent, Government Press, on the subject and of that officer's reply† thereto, and to state that the Lieutenant-General Commanding the Forces, Madras, intends to ask the Government of India to sanction the cost of as many copies of the work as would be required for the use of—

- (a) the Military Department,
- (b) Civil officers serving under the Madras Administration to whom the Madras Government consider copies should be issued gratis, and
- (c) Foreign (Indian) Governments and Administrations to whom the Government of India consider copies should be issued gratis, being borne by the Military Department; the cost of the remaining number of copies being met by sale, at the Government Press, Madras, to others to whom they would not be issuable free of charge.

3. Should this meet with the approval of the Madras Government, the Lieutenant-General Commanding would feel obliged by your favouring him with a list of the officers coming under the head of (b) above and with information as to the number of copies (plain and interleaved) that would be required by each.

4. I am also to ask that the Madras Government may be moved to issue instructions to Collectors, &c., concerned to afford General Officers Commanding Districts in the Madras Command every assistance in their power in order that the several routes may be carefully checked and corrected and thus brought up to date.

5. An early reply will be deemed a favour.

ENCLOSURES.

From the Deputy Adjutant-General, Madras Command, to the Superintendent, Government Press, Madras, dated 6th December 1898, No. B.—I. 1949C.

It being under consideration to reprint *with corrections* the book entitled "Routes in the Madras Presidency"‡ (Edition 1879), I have

‡ One uncorrected copy herewith, which please return.

the Government Press, Madras, and, if so, as to the approximate amount of expenditure it will entail on the assumption that 200 copies (viz., 100 plain and 100 interleaved) will be the maximum number required by this office for use and distribution.

2. It is probable that a considerable number of copies will also be required by Civil Departments under the Madras Government whose sanction to the work being undertaken by the Government Press will be obtained by the Lieutenant-General Commanding the Forces, Madras, on my hearing from you.

From the Superintendent, Government Press, to the Deputy Adjutant-General, Madras Command, dated 20th December 1898, No. 5508.

With reference to your letter No. B.—I. 19490, dated 6th instant, I have the honour to inform you that the printing of a new edition of the "Routes in the Madras Presidency" can be undertaken at the Government Press, Madras.

2. In 1879, 700 copies of Routes were printed and stock was exhausted about 1890, there have been many demands for copies since. Judging by experience I should advise printing an edition of 1,000 copies, but in case this number is not approved of, I also give an estimate for 800 copies.

		Approximate cost of printing		Interleaving

3. The specimen book and the map are returned by packet post.

ORDER—No. 152, Public, dated 7th February 1899.

The request in paragraph 1 of the Deputy Adjutant-General's letter is sanctioned.

2. The correspondence will be communicated to all departments of the Secretariat, and to heads of departments under the Public Department, in view to lists being furnished to this department of the number of copies (plain and interleaved) of the revised edition of the Route Book, which should be issued gratis to Civil officers serving under this Government. The Government considers that the work should be supplied gratis only to officers who may need it for the effectual performance of their duties. The Superintendent, Government Press, will report the number of copies which should be retained for sale at the Press.

3. All Collectors will be requested to render the assistance asked for in paragraph 4 of the Deputy Adjutant-General's letter. Instructions to officers of the Public Works Department on the same subject will issue in the Public Works Department.

NOTE FOR THE

In G.O. No. 501 Pub. 27/4-4-77 the Supervisor of the Govt Press was directed to determine the number of copies of the Route Book ^{then under preparation} which issued only in 1880. The information furnished by the Rev + PWD as to the number of copies required by them was ~~forwarded~~ to the Supervisor. But no subsequent communication on the subject to Govt from that office can be traced here. The office of the Supervisor was abolished in G.O. No. 498 Pub. 27/8-4-81 and the records of that office, it is understood, are at present with the Lupt. Govt Press.

NOTE FOR THE UNDER SECRETARY.

Please see notes
in the Rev. Dept below.

The Under Secy's
suggestion is that in-
structions to Collectors
on the subject of the
D. A. G's letter should
be issued at once in
the Public G.

The Rev. Secy. has
apparently adds a list
of officers of the Rev. Dept
to whom copies of the new
Route book should
be supplied -

If this view is
correct, para 3 of the
draft G.O. might be
worded as follows:-

"All Collectors will
be required to
render the assistance
asked for in para 4, viz
of the D. A. G's letter &
instructions to officers
of the P. W. Dept. on the
same subject will be
issued."

2/2/91

The list of officers
 of the Rev. Dept. to whom
 copies of the Route book
 should be supplied
 will be kept on hand,
 to be compiled with
 other lists which will
 be received in answer
 to the G.O. - Rev. will
 probably send in a list
 principally with reference to
 the G.O., but if it does
 not, the list given by
 the Rev. Secy. can be
 acted on.

The P. w. dept. has
counter-indicated the
draft 50. May para
3 be now modified
as above?

C.B. The other night
answered a question.
